(d) In the event that any such mutilated, lost, apparently destroyed or wrongfully taken Bond has become or is about to become due and payable, the Paying Agent/Registrar, in its discretion, instead of issuing a replacement Bond, may pay such Bond if it has become due and payable or may pay such Bond when it becomes due and payable.

(e) Each replacement Bond delivered in accordance with this Section shall constitute an original additional contractual obligation of the City and shall be entitled to the benefits and security of this Indenture to the same extent as the Bond or Bonds in lieu of which such replacement Bond is delivered.

Section 3.11. Book-Entry Only System.

The Bonds shall initially be issued in book-entry-only form and shall be deposited with DTC, which is hereby appointed to act as the securities depository therefor, in accordance with the letter of representations from the City to DTC. The Paying Agent/Registrar shall pay all principal of, premium, if any, and interest on the Bonds only to or upon the order of the respective Owners as shown in the Register, as provided in this Indenture, and all such payments shall be valid and effective to fully satisfy and discharge the City's obligations with respect to payment of principal of, premium, if any, and interest on the Bonds to the extent of the sum or sums so paid. No Person other than an Owner, as shown in the Register, shall receive a Bond certificate evidencing the obligation of the City to make payments of amounts due pursuant to this Indenture. Upon delivery by DTC to the Paying Agent/Registrar of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede & Co., and subject to the provisions in this Indenture with respect to interest checks or drafts being mailed to the registered owner at the close of business on the Record Date, the word "Cede & Co." in this Indenture shall refer to such new nominee of DTC.

In such event, the Bonds shall no longer be restricted to being registered in the Register in the name of Cede & Co., as nominee of DTC, but may be registered in the name of the successor securities depository, or its nominee, or in whatever name or names Owners transferring or exchanging Bonds shall designate, in accordance with the provisions of this Indenture.

Section 3.13. Payments to Cede & Co.

Notwithstanding any other provision of this Indenture to the contrary, so long as any Bonds are registered in the name of Cede & Co., as nominee of DTC, all payments with respect to principal of, premium, if any, and interest on such Bonds, and all notices with respect to such Bonds shall be made and given, respectively, in the manner provided in the blanket letter of representations from the City to DTC.

(c) The principal amount of Bonds required to be redeemed on any redemption date pursuant to subparagraph (a) of this Section 4.2 shall be reduced, at the option of the City, by the principal amount of any Bonds of such maturity which, at least 45 days prior to the sinking fund redemption date shall have been acquired by the City at a price not exceeding the principal amount of such Bonds plus accrued unpaid interest to the date of purchase thereof, and delivered to the Trustee for cancellation.

(d) The principal amount of Bonds required to be redeemed on any redemption date pursuant to subparagraph (a) of this Section 4.2 shall be reduced on a pro rata basis among sinking fund installments by the principal amount of any Bonds which, at least 45 days prior to the sinking fund redemption date, shall have been redeemed pursuant to the optional redemption or extraordinary optional redemption provisions hereof and not previously credited to a mandatory sinking fund redemption.

Section 4.3. Optional Redemption.

(a) The City reserves the right and option to redeem Bonds before their scheduled maturity date, in whole or in part, on the dates shown below, such redemption date or dates to be fixed by the City, at the Redemption Price and without premium:

Section 4.4. Extraordinary Optional Redemption.

The City reserves the right and option to redeem Bonds before their respective scheduled maturity dates, in whole or in part, on the first day of any month, at the Redemption Price, from amounts on deposit in the Redemption Fund as a result of Prepayments (including related transfers to the Redemption Fund as provided in Section 6.7(c)).

Section 4.5. Partial Redemption.

(a) If less than all of the Bonds are to be redeemed pursuant to either Sections 4.2, 4.3 or 4.4, Bonds shall be redeemed in minimum principal amounts of \$25,000 and increments of \$5,000 thereafter by any method selected by the Trustee that results in a random selection. Each Bond shall be treated as representing the number of Bonds that is obtained by dividing the principal amount of such Bond by the smallest Authorized Denomination for such Bond.

(b) A portion of a single Bond of a denomination greater than an Authorized Denomination may be redeemed, but only in a principal amount equal to \$25,000 or any integral of \$5,000 in excess thereof. The Trustee shall treat each \$25,000 portion of such Bond as though it were a single bond for purposes of selection for redemption. No redemption shall result in a Bond in a denomination of less than the Authorized Denomination in effect at that time.

(c) Upon surrender of any Bond for redemption in part, the Trustee in accordance with Section 3.7 of this Indenture, shall authenticate and deliver an exchange Bond or Bonds in an aggregate principal amount equal to the unredeemed portion of the Bond so surrendered, such exchange being without charge.

Section 4.6. Notice of Redemption to Owners.

(a) The Trustee shall give notice of any redemption of Bonds by sending notice by first class United States mail, postage prepaid, not less than 30 days before the date fixed for redemption, to the Owner of each Bond or portion thereof to be redeemed, at the address shown in the Register.

(b) The notice shall state the redemption date, the Redemption Price, the place at which the Bonds are to be surrendered for payment, and, if less than all the Bonds Outstanding are to be redeemed, and subject to Section 4.5 hereof, an identification of the Bonds or portions thereof to be redeemed, any conditions to such redemption and that on the redemption date, if all conditions, if any, to such redemption have been satisfied, such Bond shall become due and payable.

(c) Any notice given as provided in this Section shall be conclusively presumed to have been duly given, whether or not the Owner receives such notice.

(d) The City has the right to rescind any optional redemption or extraordinary optional redemption described in Section 4.3 or 4.4 by written notice to the Trustee on or prior to the date fixed for redemption. Any notice of redemption shall be cancelled and annulled if for any reason funds are not available on the date fixed for redemption for the payment in full of

the Bonds then called for redemption, and such cancellation shall not constitute an Event of Default under the Indenture. The Trustee shall mail notice of rescission of redemption in the same manner notice of redemption was originally provided.

(e) With respect to any optional redemption of the Bonds, unless the Trustee has received funds sufficient to pay the Redemption Price of the Bonds to be redeemed before giving of a notice of redemption, the notice may state the City may condition redemption on the receipt of such funds by the Trustee on or before the date fixed for the redemption, or on the satisfaction of any other prerequisites set forth in the notice of redemption. If a conditional notice of redemption is given and such prerequisites to the redemption and sufficient funds are not received, the notice shall be of no force and effect, the City shall not redeem the Bonds and the Trustee shall give notice, in the manner in which the notice of redemption was given, that the Bonds have not been redeemed.

Section 4.7. Payment Upon Redemption.

(a) The Trustee shall make provision for the payment of the Bonds to be redeemed on such date by setting aside and holding in trust an amount from the Redemption Fund or otherwise received by the Trustee from the City and shall use such funds solely for the purpose of paying the Redemption Price on the Bonds being redeemed.

(b) Upon presentation and surrender of any Bond called for redemption at the designated corporate trust office of the Trustee on or after the date fixed for redemption, the Trustee shall pay the Redemption Price on such Bond to the date of redemption from the moneys set aside for such purpose.

Section 4.8. Effect of Redemption.

Notice of redemption having been given as provided in Section 4.6 of this Indenture, the Bonds or portions thereof called for redemption shall become due and payable on the date fixed for redemption provided that funds for the payment of the principal amount plus accrued unpaid interest on such Bonds to the date fixed for redemption are on deposit with the Trustee; thereafter, such Bonds or portions thereof shall cease to bear interest from and after the date fixed for redemption, whether or not such Bonds are presented and surrendered for payment on such date.

or registered assigns, on the Maturity Date, as specified above, the sum of

_____ DOLLARS

unless this Bond shall have been sooner called for redemption and the payment of the principal hereof shall have been paid or provision for such payment shall have been made, and to pay interest on the unpaid principal amount hereof from the later of the Bond Date, as specified above, or the most recent Interest Payment Date to which interest has been paid or provided for until such principal amount shall have been paid or provided for, at the per annum rate of interest specified above, computed on the basis of a 360-day year of twelve 30-day months, such interest to be paid semiannually on March 1 and September 1 of each year, commencing March 1, 2012.

Capitalized terms appearing herein that are defined terms in the Indenture defined below, have the meanings assigned to them in the Indenture. Reference is made to the Indenture for such definitions and for all other purposes.

The principal of this Bond shall be payable without exchange or collection charges in lawful money of the United States of America upon presentation and surrender of this Bond at the corporate trust office in Jacksonville, Florida (the "Designated Payment/Transfer Office"), of Deutsche Bank National Trust Company as trustee and paying agent/registrars (the "Trustee"), or, with respect to a successor trustee and paying agent/registrars, at the Designated Payment/Transfer Office of such successor. Interest on this Bond is payable by check dated as of the Interest Payment Date, mailed by the Trustee to the registered owner at the address shown on the registration books kept by the Trustee or by such other customary banking arrangements acceptable to the Trustee, requested by, and at the risk and expense of, the Person to whom interest is to be paid. For the purpose of the payment of interest on this Bond, the registered owner shall be the Person in whose name this Bond is registered at the close of business on the "Record Date," which shall be the 15th calendar day of the month next preceding such Interest Payment Date; provided, however, that in the event of nonpayment of interest on a scheduled Interest Payment Date, and for 30 days thereafter, a new record date for such interest payment (a "Special Record Date") will be established by the Trustee, if and when funds for the payment of such interest have been received from the City. Notice of the Special Record Date and of the scheduled payment date of the past due interest (the "Special Payment Date," which shall be 15 days after the Special Record Date) shall be sent at least five Business Days prior to the Special Record Date by United States mail, first class postage prepaid, to the address of each Owner of a Bond appearing on the books of the Trustee at the close of business on the last Business Day preceding the date of mailing such notice.

If a date for the payment of the principal of or interest on the Bonds is a Saturday, Sunday, legal holiday, or a day on which banking institutions in the city in which the Designated Payment/Transfer Office is located are authorized by law or executive order to close, then the date for such payment shall be the next succeeding Business Day, and payment on such date shall have the same force and effect as if made on the original date payment was due.

This Bond maturing on is one of a duly authorized issue of assessment revenue bonds of the City having the designation specified in its title (herein referred to as the "Bonds"), dated as of the date of delivery and issued in the aggregate principal amount of \$2,860,000 and issued, with the limitations described herein, pursuant to an Indenture of Trust, dated as of November 1, 2011 (the "Indenture"), by and between the City and Deutsche Bank National Trust Company, as

trustee (the "Trustee," which term includes any successor trustee under the Indenture), to which Indenture reference is hereby made for a description of the amounts thereby pledged and assigned, the nature and extent of the lien and security, the respective rights thereunder to the holders of the Bonds, the Trustee, and the City, and the terms upon which the Bonds are, and are to be, authenticated and delivered and by this reference to the terms of which each holder of this Bond hereby consents. All Bonds issued under the Indenture are equally and ratably secured by the amounts thereby pledged and assigned. The Bonds are being issued for the purpose of (i) paying the Costs of the Improvement Projects, (ii) paying interest on the Bonds during and after the period of acquisition and construction of the Improvement Projects, (iii) making deposits to a reserve fund, a capitalized interest account, and a project fund, and (iv) paying the costs of issuing the Bonds.

The Bonds are limited obligations of the City payable solely from the Pledged Revenues as defined in the Indenture. Reference is hereby made to the Indenture, copies of which are on file with and available upon request from the Trustee, for the provisions, among others, with respect to the nature and extent of the duties and obligations of the City, the Trustee and the Owners. The Owner of this Bond, by the acceptance hereof, is deemed to have agreed and consented to the terms, conditions and provisions of the Indenture.

Notwithstanding any provision hereof, the Indenture may be released and the obligation of the City to make money available to pay this Bond may be defeased by the deposit of money and/or certain direct or indirect Defeasance Securities sufficient for such purpose as described in the Indenture.

The Bonds are issuable as fully registered bonds only in Authorized Denominations, subject to the provisions of the Indenture authorizing redemption in denominations of \$25,000 and any multiple of \$5,000 in excess thereof.

The Bonds maturing on September 1, 2018, September 1, 2020, September 1, 2022 and September 1, 2026 are subject to sinking fund redemption prior to their respective maturities and will be redeemed by the City in part at a price equal to the principal amount thereof plus accrued and unpaid interest thereon to the date set for redemption from moneys available for such purpose in the Redemption Fund pursuant to Article VI of the Indenture, on the dates and in the principal amounts as set forth in the following schedule:

At least forty-five (45) days prior to each sinking fund redemption date, the Trustee shall select for redemption by lot, or by any other customary method that results in a random selection, a principal amount of Bonds of such maturity equal to the sinking fund installments of such Bonds to be redeemed, shall call such Bonds for redemption on such scheduled mandatory sinking fund redemption date, and shall give notice of such redemption, as provided in Section 4.6 of the Indenture.

The principal amount of Bonds required to be redeemed on any sinking fund redemption date shall be reduced, at the option of the City, by the principal amount of any Bonds of such maturity which, at least 45 days prior to the sinking fund redemption date (i) shall have been acquired by the City at a price not exceeding the principal amount of such Bonds plus accrued and unpaid interest to the date of purchase thereof, and delivered to the Trustee for cancellation, or (ii) shall have been redeemed pursuant to the optional redemption or extraordinary optional redemption and not previously credited to a sinking fund redemption.

The Trustee shall give notice of any redemption of Bonds by sending notice by first class United States mail, postage prepaid, not less than 30 days before the date fixed for redemption, to the Owner of each Bond (or part thereof) to be redeemed, at the address shown on the Register. The notice shall state the redemption date, the Redemption Price, the place at which the Bonds are to be surrendered for payment, and, if less than all the Bonds Outstanding are to be redeemed, an identification of the Bonds or portions thereof to be redeemed. Any notice so given shall be conclusively presumed to have been duly given, whether or not the Owner receives such notice.

The Indenture permits, with certain exceptions as therein provided, the amendment thereof and the modification of the rights and obligations of the City and the rights of the holders of the Bonds under the Indenture at any time Outstanding affected by such modification. The Indenture also contains provisions permitting the holders of specified percentages in aggregate principal amount of the Bonds at the time Outstanding, on behalf of the holders of all the Bonds, to waive compliance by the City with certain past defaults under the Bond Ordinance or the Indenture and their consequences. Any such consent or waiver by the holder of this Bond or any predecessor Bond evidencing the same debt shall be conclusive and binding upon such holder and upon all future holders thereof and of any Bond issued upon the transfer thereof or in exchange therefor or in lieu thereof, whether or not notation of such consent or waiver is made upon this Bond.

As provided in the Indenture, this Bond is transferable upon surrender of this Bond for transfer at the Designated Payment/Transfer Office, with such endorsement or other evidence of transfer as is acceptable to the Trustee, and upon delivery to the Trustee of such certifications and/or opinion of counsel as may be required under the Indenture for the transfer of this Bond. Upon satisfaction of such requirements, one or more new fully registered Bonds of the same Stated Maturity, of Authorized Denominations, bearing the same rate of interest, and for the same aggregate principal amount will be issued to the designated transferee or transferees.

Neither the City nor the Trustee shall be required to issue, transfer or exchange any Bond called for redemption where such redemption is scheduled to occur within 45 calendar days of the transfer or exchange date; provided, however, such limitation shall not be applicable to an exchange by the registered owner of the uncalled principal balance of a Bond.

The City, the Trustee, and any other Person may treat the Person in whose name this Bond is registered as the owner hereof for the purpose of receiving payment as herein provided (except interest shall be paid to the Person in whose name this Bond is registered on the Record Date or Special Record Date, as applicable) and for all other purposes, whether or not this Bond be overdue, and neither the City nor the Trustee shall be affected by notice to the contrary.

Section 6.5. Project Fund.

(a) Money on deposit in the Project Fund shall be used for the purposes specified in Section 3.1 hereof.

(b) Any funds received at Closing pursuant to the Financing Agreement shall be applied as provided therein. Such provisions and procedures are herein incorporated by reference and deemed set forth herein in full.

(c) Disbursements from the Project Fund to pay Costs shall be made by the Trustee upon receipt by the Trustee of a properly executed and completed Certification for Payment. The disbursement of funds in the Project Fund pursuant to a Certification for Payment shall be pursuant to and accordance with the disbursement procedures described in the Financing Agreement. Such provisions and procedures are herein incorporated by reference and deemed set forth herein in full.

(d) If the City Representative determines in his or her sole discretion that amounts then on deposit in the Project Fund are not expected to be expended for purposes of the Project Fund due to the abandonment, or constructive abandonment, of the Improvement Projects such that, in the opinion of the City Representative, it is unlikely that the amounts in the Project Fund will ever be expended for the purposes of the Project Fund, the City Representative shall file a City Certificate with the Trustee which identifies the amounts then on deposit in the Project Fund that are not expected to be used for purposes of the Project Fund. If such City Certificate is so filed, the amounts on deposit in the Project Fund shall be transferred to the Redemption Fund to redeem Bonds on the earliest practicable date after notice of redemption has been provided in accordance with the Indenture.

(e) In making any determination pursuant to this Section, the City Representative may conclusively rely upon a certificate of an Independent Financial Consultant.

(f) Upon the filing of a City Certificate stating that all Improvement Projects have been completed and that all Costs of the Improvement Projects have been paid, or that any such Costs are not required to be paid from the Project Fund pursuant to a Certification for Payment, the Trustee shall transfer the amount, if any, remaining within the Project Fund to the Bond Fund and the Project Fund shall be closed.

Section 6.6. Redemption Fund.

(a) The Trustee shall cause to be deposited to the Redemption Fund from the Pledged Revenue Fund an amount sufficient to redeem Bonds as provided in Sections 4.3 and 4.4 on the dates specified for redemption as provided in Sections 4.3 and 4.4. Amounts on deposit in the Redemption Fund shall be used and withdrawn by the Trustee to redeem Bonds as provided in Article IV.

Section 6.7. Reserve Fund.

(a) All amounts deposited in the Reserve Fund shall be used and withdrawn by the Trustee for the purpose of making transfers to the Principal and Interest Account of the Bond Fund as provided in this Indenture. The Trustee will transfer from the Pledged Revenue Fund to the Prepayment Reserve Account on March 1 and September 1 of each year, commencing March 1, 2013, an amount equal to .20% of the interest rate component of the Annual Installments until the Prepayment Reserve Requirement has been accumulated in the Prepayment Reserve Account. The Trustee shall also deposit from the Pledged Revenue Fund to the Delinquency Reserve Account on March 1 and September 1, commencing March 1, 2013, an amount equal to .30% of the interest rate component of the Annual Installments until the Delinquency Reserve Requirement has been accumulated in the Delinquency Reserve Account.

(b) Whenever a transfer is made from the Reserve Fund to the Bond Fund due to a deficiency in the Bond Fund, the Trustee shall provide written notice thereof to the City, specifying the amount withdrawn and the source of said funds.

(c) Whenever Bonds are to be redeemed with the proceeds of Prepayments pursuant to Section 4.4, a proportionate amount in the Reserve Account of the Reserve Fund shall be transferred on the Business Day prior to the redemption date by the Trustee to the Redemption

Fund to be applied to the redemption of the Bonds. The amount so transferred from the Reserve Account of the Reserve Fund shall be equal to a percentage of the amount of the Bonds redeemed with such percentage equal to the lesser of: (i) the amount required to be in the Reserve Account of the Reserve Fund, as a percentage of the Outstanding Bonds prior to the redemption, and (ii) the amount actually in the Reserve Account of the Reserve Fund, as a percentage of the Outstanding Bonds prior to the redemption. If after such transfer, and after applying investment earnings on the Prepayment toward payment of accrued interest, there are insufficient funds to pay the principal amount plus accrued and unpaid interest on such Bonds to the date fixed for redemption of the Bonds to be redeemed as a result of such Prepayment, the Trustee shall transfer an amount equal to the shortfall from the Prepayment Reserve Account to the Redemption Fund to be applied to the redemption of the Bonds.

(d) Whenever, on any Interest Payment Date, or on any other date at the request of a City Representative, the amount in the Reserve Account exceeds the Reserve Fund Requirement, the Trustee shall provide written notice to the City Representative of the amount of the excess. Such excess shall be transferred to the Principal and Interest Account to be used for the payment of interest on the Bonds on the next Interest Payment Date in accordance with Section 6.4 hereof, unless within thirty days of such notice to the City Representative, the Trustee receives a City Order instructing the Trustee to apply such excess: (i) to pay amounts due under Section 6.8 hereof, (ii) to the Administrative Fund in an amount not more than the Annual Collection Costs for the Bonds, or (iii) to the Project Fund if such application and the expenditure of funds is expected to occur within three years of the date hereof.

(e) Whenever, on any Interest Payment Date, or on any other date at the written request of the City Representative, the amount in the Prepayment Reserve Account exceeds the Prepayment Reserve Requirement, the Trustee shall provide written notice to the City of the amount of the excess. The amount of such excess on deposit in the Prepayment Reserve Account shall be transferred to the Pledged Revenue Fund.

(f) Whenever, on any Interest Payment Date, or on any other date at the written request of the City Representative, the amount in the Delinquency Reserve Account exceeds the Delinquency Reserve Requirement, the Trustee shall provide written notice to the City of the amount of the excess. The amount of such excess on deposit in the Delinquency Reserve Account shall be transferred to the Pledged Revenue Fund.

(g) Whenever, on any Interest Payment Date, the amount on deposit in the Bond Fund is insufficient to pay the debt service on the Bonds due on such date, the Trustee shall transfer first from the Delinquency Reserve Account of the Reserve Fund, second from the Reserve Account of the Reserve Fund and third from the Prepayment Reserve Account to the Bond Fund the amounts necessary to cure such deficiency. The Trustee shall determine the value of cash and investments on deposit in the Delinquency Reserve Account as of December 31 of each year. So long as no Event of Default under this Indenture shall have occurred and be continuing, if as of the date of such determination the value of cash and investments on deposit in the Delinquency Reserve Account exceeds the Delinquency Reserve Fund Requirement for the Bonds, the Trustee shall transfer such excess at the direction of the City.

(h) At the final maturity of the Bonds, the amount on deposit in the Reserve Account and the Prepayment Reserve Account shall be transferred to the Redemption Fund and applied to the payment of the principal of the Bonds.

(i) If, after a Reserve Fund withdrawal, the amount on deposit in the Reserve Fund is less than the Reserve Fund Requirement, the Trustee shall transfer from the Pledged Revenue Fund to the Reserve Fund the amount of such deficiency, but only to the extent that such amount is not required for the timely payment of principal, interest, or Sinking Fund Installments.

(j) If the amount held in the Reserve Fund together with the amount held in the Bond Fund and Redemption Fund is sufficient to pay the principal amount and of all Outstanding Bonds on the next Interest Payment Date, together with the unpaid interest accrued on such Bonds as of such Interest Payment Date, the moneys shall be transferred to the Redemption Fund and thereafter used to redeem all Bonds as of such Interest Payment Date.

Section 6.8. Rebate Fund: Rebatable Arbitrage.

(a) There is hereby established a special fund of the City to be designated "City of Austin, Texas, Rebate Fund" (the "Rebate Fund") to be held by the Trustee in accordance with the terms and provisions of this Indenture. Amounts on deposit in the Rebate Fund shall be used solely for the purpose of paying amounts due the United States Government in accordance with the Code.

(b) In order to assure that Rebatable Arbitrage is paid to the United States rather than to a third party, investments of funds on deposit in the Rebate Fund shall be made in accordance with the Code and the Tax Certificate.

(c) The Trustee conclusively shall be deemed to have complied with the provisions of this Section and Section 7.5(h) and shall not be liable or responsible if it follows the instructions of the City and shall not be required to take any action under this Section and Section 7.5(h) in the absence of instructions from the City.

(d) If, on the date of each annual calculation, the amount on deposit in the Rebate Fund exceeds the amount of the Rebatable Arbitrage, the City may direct the Trustee, pursuant to a City Order, to transfer the amount in excess of the Rebatable Arbitrage to the Bond Fund.

Section 6.9. Administrative Fund.

(a) Immediately upon receipt thereof, the City shall deposit or cause to be deposited to the Administrative Fund the Annual Collection Costs.

(b) Moneys in the Administrative Fund shall be held by the Trustee separate and apart from the other Funds created and administered hereunder and used as directed by a City Order solely for the purposes set forth in the Service and Assessment Plan.

Section 6.10. Investment of Funds.

(a) Money in any Fund established pursuant to this Indenture shall be invested by the Trustee as directed by the City pursuant to a City Order filed with the Trustee at least two (2) days in advance of the making of such investment in time deposits or certificates of deposit secured in the manner required by law for public funds, or be invested in direct obligations of, including obligations the principal and interest on which are unconditionally guaranteed by, the United States of America, in obligations of any agencies or instrumentalities thereof, or in such other investments as are permitted under the Public Funds Investment Act of 1987, Chapter 2256 Texas Government Code, as amended, or any successor law, as in effect from time to time; provided that all such deposits and investments shall be made in such manner (which may include repurchase agreements for such investment with any primary dealer of such agreements) that the money required to be expended from any Fund will be available at the proper time or times. Such investments shall be valued each year in terms of current market value as of December 31. For purposes of maximizing investment returns, to the extent permitted by law, money in such Funds may be invested in common investments of the kind described above, or in a common pool of such investment which shall be kept and held at an official depository bank, which shall not be deemed to be or constitute a commingling of such money or funds provided that safekeeping receipts or certificates of participation clearly evidencing the investment or investment pool in which such money is invested and the share thereof purchased with such money or owned by such Fund are held by or on behalf of each such Fund. If necessary, such investments shall be promptly sold to prevent any default

(b) Obligations purchased as an investment of moneys in any Fund shall be deemed to be part of such Fund or Account, subject, however, to the requirements of this Indenture for transfer of interest earnings and profits resulting from investment of amounts in Funds and Accounts. Whenever in this Indenture any moneys are required to be transferred by the City to the Trustee, such transfer may be accomplished by transferring a like amount of Permitted Investments.

(c) The Trustee and its affiliates may act as sponsor, advisor, depository, principal or agent in the acquisition or disposition of any investment. The Trustee shall not incur any liability for losses arising from any investments made pursuant to this Section. The Trustee shall not be required to determine the legality of any investments.

(d) Investments in any and all Funds and Accounts may be commingled in a separate fund or funds for purposes of making, holding and disposing of investments, notwithstanding provisions herein for transfer to or holding in or to the credit of particular Funds or Accounts of amounts received or held by the Trustee hereunder, provided that the Trustee shall at all times account for such investments strictly in accordance with the Funds and Accounts to which they are credited and otherwise as provided in this Indenture.

(e) The Trustee will furnish the City periodic cash transaction statements which include detail for all investment transactions made by the Trustee hereunder.

Section 6.11. Security of Funds.

All Funds heretofore created or reaffirmed, to the extent not invested as herein permitted, shall be secured in the manner and to the fullest extent required by law for the security of public funds, and such Funds shall be used only for the purposes and in the manner permitted or required by this Indenture.

ARTICLE VII

COVENANTS

Section 7.1. Confirmation of Assessments.

The City hereby confirms, covenants, and agrees that, in the Assessment Ordinance, it has levied the Assessments against the respective Assessed Parcels from which the Pledged Revenues will be collected and received.

Section 7.2. Collection and Enforcement of Assessments.

(a) For so long as any Bonds are Outstanding, the City covenants, agrees and warrants that it will take and pursue all actions permissible under Applicable Laws to cause the Assessments to be collected and the liens thereof enforced continuously, in the manner and to the maximum extent permitted by Applicable Laws, and to cause no reduction, abatement or exemption in the Assessments.

(b) The City will determine or cause to be determined, no later than March 1 of each year, whether or not any Annual Installment is delinquent and, if such delinquencies exist, the City will order and cause to be commenced as soon as practicable any and all appropriate and legally permissible actions to obtain such Annual Installment, any delinquent charges and interest thereon, including diligently prosecuting an action in district court to foreclose the currently delinquent Annual Installment. Notwithstanding the foregoing, the City shall not be required under any circumstances to purchase or make payment for the purchase of the delinquent Assessment or the corresponding Assessed Parcel.

Section 7.3. Against Encumbrances.

(a) The City shall not create and, to the extent Pledged Revenues are received, shall not suffer to remain, any lien, encumbrance or charge upon the Pledged Revenues or upon any other property pledged under this Indenture, except the pledge created for the security of the Bonds and the Subordinate Bonds, which are being issued concurrently with the issuance of the Bonds, and other than a lien or pledge subordinate to the lien and pledge of such property related to the Bonds.

(b) So long as Bonds are Outstanding hereunder, the City shall not issue any bonds, notes or other evidences of indebtedness other than the Bonds secured by any pledge of or other lien or charge on the Pledged Revenues or other property pledged under this Indenture, other than a lien or pledge subordinate to the lien and pledge of such property related to the Bonds.

Section 7.4. Records, Accounts, Accounting Reports.

The City hereby covenants and agrees that so long as any of the Bonds or Outstanding Bonds or any interest thereon remain outstanding and unpaid, it will keep and maintain a proper and complete system of records and accounts pertaining to the Assessments. The Trustee and holder or holders of any Bonds or any duly authorized agent or agents of such holders shall have the right at all reasonable times to inspect all such records, accounts, and data relating thereto, upon written request to the City by the Trustee or duly authorized representative, as applicable. The City shall provide the Trustee or duly authorized representative, as applicable, an opportunity to inspect such books and records relating to the Bonds during the City's regular business hours and on a mutually agreeable date not later than thirty days after the City receives such request.

Section 7.5. Covenants to Maintain Tax-Exempt Status.

(a) Definitions. When used in this Section, the following terms shall have the following meanings:

"Closing Date" means the date on which the Bonds are first authenticated and delivered to the initial purchasers against payment therefor.

"Code" means the Internal Revenue Code of 1986, as amended by all legislation, if any, effective on or before the Closing Date.

"Computation Date" has the meaning set forth in section 1.148-1(b) of the Regulations.

"Gross Proceeds" means any proceeds as defined in section 1.148-1(b) of the Regulations, and any replacement proceeds as defined in section 1.148-1(c) of the Regulations, of the Bonds.

"Investment" has the meaning set forth in section 1.148-1(b) of the Regulations.

"Nonpurpose Investment" means any investment property, as defined in section 148(b) of the Code, in which Gross Proceeds of the Bonds are invested and which is not acquired to carry out the governmental purposes of the Bonds.

"Rebate Amount" has the meaning set forth in section 1.148-1(b) of the Regulations.

"Regulations" means any proposed, temporary or final Income Tax Regulations issued pursuant to sections 103 and 141 through 150 of the Code, and 103 of the Internal Revenue Code of 1954, which are applicable to the Bonds. Any reference to any specific Regulation shall also mean, as appropriate, any proposed,

temporary or final Income Tax Regulation designed to supplement, amend or replace the specific Regulation referenced.

"Yield" of (1) any Investment has the meaning set forth in section 1.148-5 of the Regulations; and (2) the Bonds has the meaning set forth in section 1.148-4 of the Regulations.

(b) Not to Cause Interest to Become Taxable. The City shall not use, permit the use of, or omit to use Gross Proceeds or any other amounts (or any property the acquisition, construction or improvement of which is to be financed directly or indirectly with Gross Proceeds) in a manner which if made or omitted, respectively, would cause the interest on any Bond to become includable in the gross income, as defined in section 61 of the Code, of the owner thereof for federal income tax purposes. Without limiting the generality of the foregoing, unless and until the City receives a written opinion of counsel nationally recognized in the field of municipal bond law to the effect that failure to comply with such covenant will not adversely affect the exemption from federal income tax of the interest on any Bond, the City shall comply with each of the specific covenants in this Section.

(c) No Private Use or Private Payments. Except as permitted by section 141 of the Code and the Regulations and rulings thereunder, the City shall at all times prior to the last Stated Maturity of Bonds:

(i) exclusively own, operate and possess all property the acquisition, construction or improvement of which is to be financed or refinanced directly or indirectly with Gross Proceeds of the Bonds, and not use or permit the use of such Gross Proceeds (including all contractual arrangements with terms different than those applicable to the general public) or any property acquired, constructed or improved with such Gross Proceeds in any activity carried on by any person or entity (including the United States or any agency, department and instrumentality thereof) other than a state or local government, unless such use is solely as a member of the general public; and

(ii) not directly or indirectly impose or accept any charge or other payment by any person or entity who is treated as using Gross Proceeds of the Bonds or any property the acquisition, construction or improvement of which is to be financed or refinanced directly or indirectly with such Gross Proceeds, other than taxes of general application within the City or interest earned on investments acquired with such Gross Proceeds pending application for their intended purposes.

(d) No Private Loan.

(i) Except to the extent permitted by section 141 of the Code and the Regulations and rulings thereunder, the City shall not use Gross Proceeds of the Bonds to make or finance loans to any person or entity other than a state or local government. For purposes of the foregoing covenant, such Gross Proceeds are considered to be "loaned" to a person or entity if: (1) property acquired, constructed or improved with such Gross Proceeds is sold or leased to such person or entity in a transaction which creates a debt for federal income tax purposes; (2) capacity in or service from such property is

committed to such person or entity under a take-or-pay, output or similar contract or arrangement; or (3) indirect benefits, or burdens and benefits of ownership, of such Gross Proceeds or any property acquired, constructed or improved with such Gross Proceeds are otherwise transferred in a transaction which is the economic equivalent of a loan.

(ii) The City covenants and agrees that the levied Assessments will meet the requirements of the "tax assessment loan exception" within the meaning of section 1.141-5(d) of the Regulations on the date the Bonds are delivered and will ensure that the Assessments continue to meet such requirements for so long as the Bonds are outstanding hereunder.

(e) Not to Invest at Higher Yield. Except to the extent permitted by section 148 of the Code and the Regulations and rulings thereunder, the City shall not at any time prior to the final Stated Maturity of the Bonds directly or indirectly invest Gross Proceeds in any Investment (or use Gross Proceeds to replace money so invested) if, as a result of such investment, the Yield from the Closing Date of all Investments acquired with Gross Proceeds (or with money replaced thereby), whether then held or previously disposed of, exceeds the Yield of the Bonds.

(f) Not Federally Guaranteed. Except to the extent permitted by section 149(b) of the Code and the Regulations and rulings thereunder, the City shall not take or omit to take any action which would cause the Bonds to be federally guaranteed within the meaning of section 149(b) of the Code and the Regulations and rulings thereunder.

(g) Information Report. The City shall timely file the information required by section 149(e) of the Code with the Secretary of the Treasury on Form 8038-G or such other form and in such place as the Secretary may prescribe.

(h) Rebate of Arbitrage Profits. Except to the extent otherwise provided in section 148(f) of the Code and the Regulations and rulings thereunder:

(i) The City shall account for all Gross Proceeds (including all receipts, expenditures and investments thereof) on its books of account separately and apart from all other funds (and receipts, expenditures and investments thereof) and shall retain all records of accounting for at least six years after the day on which the last outstanding Bond is discharged. However, to the extent permitted by law, the City may commingle Gross Proceeds of the Bonds with other money of the City, provided that the City separately accounts for each receipt and expenditure of Gross Proceeds and the obligations acquired therewith.

(ii) Not less frequently than each Computation Date, the City shall calculate the Rebate Amount in accordance with rules set forth in section 148(f) of the Code and the Regulations and rulings thereunder. The City shall maintain such calculations with its official transcript of proceedings relating to the issuance of the Bonds until six years after the final Computation Date.

(iii) As additional consideration for the purchase of the Bonds by the Purchasers and the loan of the money represented thereby and in order to induce such

purchase by measures designed to insure the excludability of the interest thereon from the gross income of the owners thereof for federal income tax purposes, the City shall, pursuant to a City Order, direct the Trustee to transfer to the Rebate Fund from the funds or subaccounts designated in such City Order and direct the Trustee to pay to the United States from the Rebate Fund the amount that when added to the future value of previous rebate payments made for the Bonds equals (i) in the case of a Final Computation Date as defined in Section 1.148-3(e)(2) of the Regulations, one hundred percent (100%) of the Rebate Amount on such date; and (ii) in the case of any other Computation Date, ninety percent (90%) of the Rebate Amount on such date. In all cases, the rebate payments shall be made at the times, in the installments, to the place and in the manner as is or may be required by section 148(f) of the Code and the Regulations and rulings thereunder, and shall be accompanied by Form 8038-T or such other forms and information as is or may be required by Section 148(f) of the Code and the Regulations and rulings thereunder.

(iv) The City shall exercise reasonable diligence to assure that no errors are made in the calculations and payments required by paragraphs (ii) and (iii), and if an error is made, to discover and promptly correct such error within a reasonable amount of time thereafter (and in all events within one hundred eighty (180) days after discovery of the error), including payment to the United States of any additional Rebate Amount owed to it, interest thereon, and any penalty imposed under Section 1.148-3(h) of the Regulations.

(i) Not to Divert Arbitrage Profits. Except to the extent permitted by section 148 of the Code and the Regulations and rulings thereunder, the City shall not, at any time prior to the earlier of the Stated Maturity or final payment of the Bonds, enter into any transaction that reduces the amount required to be paid to the United States pursuant to Subsection (h) of this Section because such transaction results in a smaller profit or a larger loss than would have resulted if the transaction had been at arm's length and had the Yield of the Bonds not been relevant to either party.

(j) Elections. The City hereby directs and authorizes the Mayor, Mayor Pro Tem, City Manager, Assistant City Manager, Chief Financial Officer, City Treasurer, City Clerk, or Deputy City Clerk, individually or jointly, to make elections permitted or required pursuant to the provisions of the Code or the Regulations, as they deem necessary or appropriate in connection with the Bonds, in the Tax Certificate or similar or other appropriate certificate, form or document.

ARTICLE VIII

LIABILITY OF CITY

The City shall not incur any responsibility in respect of the Bonds or this Indenture other than in connection with the duties or obligations explicitly herein or in the Bonds assigned to or imposed upon it. The City shall not be liable in connection with the performance of its duties hereunder, except for its own willful default or act of bad faith. The City shall not be bound to ascertain or inquire as to the performance or observance of any of the terms, conditions covenants or agreements of the Trustee herein or of any of the documents executed by the

Trustee in connection with the Bonds, or as to the existence of a default or event of default thereunder.

In the absence of bad faith, the City may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the City and conforming to the requirements of this Indenture. The City shall not be liable for any error of judgment made in good faith unless it shall be proved that it was negligent in ascertaining the pertinent facts.

No provision of this Indenture, the Bonds, the Assessment Ordinance, or any agreement, document, instrument, or certificate executed, delivered or approved in connection with the issuance, sale, delivery, or administration of the Bonds (the "Bond Documents"), shall require the City to expend or risk its own general funds or otherwise incur any financial liability (other than with respect to the Pledged Revenues and the Annual Collection Costs) in the performance of any of its obligations hereunder, or in the exercise of any of its rights or powers, if in the judgment of the City there are reasonable grounds for believing that the repayment of such funds or liability is not reasonably assured to it.

Neither the Owners nor any other Person shall have any claim against the City or any of its officers, officials, agents, or employees for damages suffered as a result of the City's failure to perform in any respect any covenant, undertaking, or obligation under any Bond Documents or as a result of the incorrectness of any representation in, or omission from, any of the Bond Documents, except to the extent that any such claim relates to an obligation, undertaking, representation, or covenant of the City, in accordance with the Bond Documents and the PID Act. Any such claim shall be payable only from Pledged Revenues or the Annual Collection Costs. Nothing contained in any of the Bond Documents shall be construed to preclude any action or proceeding in any court or before any governmental body, agency, or instrumentality against the City or any of its officers, officials, agents, or employees to enforce the provisions of any of the Bond Documents or to enforce all rights of the Owners of the Bonds by mandamus or other proceeding at law or in equity.

The City may rely on and shall be protected in acting or refraining from acting upon any notice, resolution, request, consent, order, certificate, report, warrant, bond, or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or proper parties. The City may consult with counsel with regard to legal questions, and the opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered by it hereunder in good faith and in accordance therewith.

Whenever in the administration of its duties under this Indenture the City shall deem it necessary or desirable that a matter be proved or established prior to taking or suffering any action hereunder, such matter (unless other evidence in respect thereof be herein specifically prescribed) may, in the absence of willful misconduct on the part of the City, be deemed to be conclusively proved and established by a certificate of the Trustee, an Independent Financial Consultant, an independent inspector or City Manager or other person designated by the City Council to so act on behalf of the City, and such certificate shall be full warrant to the City for any action taken or suffered under the provisions of this Indenture upon the faith thereof, but in

its discretion the City may, in lieu thereof, accept other evidence of such matter or may require such additional evidence as to it may seem reasonable.

In order to perform its duties and obligations hereunder, the City may employ such persons or entities as it deems necessary or advisable. The City shall not be liable for any of the acts or omissions of such persons or entities employed by it in good faith hereunder, and shall be entitled to rely, and shall be fully protected in doing so, upon the opinions, calculations, determinations, and directions of such persons or entities.

ARTICLE IX

THE TRUSTEE

Section 9.1. Trustee as Registrar and Paying Agent

The Trustee is hereby designated and agrees to act as Registrar and Paying Agent for and in respect to the Bonds.

Section 9.2. Trustee Entitled to Indemnity

The Trustee shall be under no obligation to institute any suit, or to undertake any proceeding under this Indenture, or to enter any appearance or in any way defend in any suit in which it may be made defendant, or to take any steps in the execution of the trusts hereby created or in the enforcement of any rights and powers hereunder, until it shall be indemnified to its satisfaction against any and all costs and expenses, outlays, and counsel fees and other reasonable disbursements, and against all liability except as a consequence of its own negligence or willful misconduct. Nevertheless, the Trustee may begin suit, or appear in and defend suit, or do anything else in its judgment proper to be done by it as the Trustee, without indemnity, and in such case the Trustee may make transfers from the Pledged Revenue Fund to pay all costs and expenses, outlays, and counsel fees and other reasonable disbursements properly incurred in connection therewith and shall be entitled to a preference therefor over any Bonds Outstanding hereunder.

Section 9.3. Responsibilities of the Trustee.

The recitals contained in this Indenture and in the Bonds shall be taken as the statements of the City and the Trustee assumes no responsibility for the correctness of the same. The Trustee makes no representations as to the validity or sufficiency of this Indenture or the Bonds or with respect to the security afforded by this Indenture, and the Trustee shall incur no liability with respect thereto. Except as otherwise expressly provided in this Indenture, the Trustee shall have no responsibility or duty with respect to: (i) the issuance of Bonds for value; (ii) the application of the proceeds thereof, except to the extent that such proceeds are received by it in its capacity as Trustee; (iii) the application of any moneys paid to the City or others in accordance with this Indenture, except as to the application of any moneys paid to it in its capacity as Trustee; or (iv) any calculation of arbitrage or rebate under the Code.

The duties and obligations of the Trustee shall be determined by the express provisions of this Indenture, and the Trustee shall not be liable except for the performance of such duties and obligations as are specifically set forth in this Indenture.

The Trustee shall not be liable for any action taken or omitted by it in the performance of its duties under this Indenture, except for its own gross negligence or willful misconduct.

Section 9.4. Property Held in Trust.

All moneys and securities held by the Trustee at any time pursuant to the terms of this Indenture shall be held by the Trustee in trust for the purposes and under the terms and conditions of this Indenture.

Section 9.5. Trustee Protected in Relying on Certain Documents.

The Trustee may rely upon any order, notice, request, consent, waiver, certificate, statement, affidavit, requisition, bond, or other document provided to the Trustee in accordance with the terms of this Indenture that it shall in good faith reasonably believe to be genuine and to have been adopted or signed by the proper board or Person or to have been prepared and furnished pursuant to any of the provisions of this Indenture, or upon the written opinion of any counsel, architect, engineer, insurance consultant, management consultant, or accountant believed by the Trustee to be qualified in relation to the subject matter, and the Trustee shall be under no duty to make any investigation or inquiry into any statements contained or matters referred to in any such instrument. The Trustee may consult with counsel, who may or may not be Bond Counsel, and the opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered by it in good faith and in accordance therewith.

Whenever the Trustee shall deem it necessary or desirable that a matter be proved or established prior to taking or suffering any action under this Indenture, such matter may be deemed to be conclusively proved and established by a City Certificate, unless other evidence in respect thereof be hereby specifically prescribed. Such City Certificate shall be full warrant for any action taken or suffered in good faith under the provisions hereof, but in its discretion the Trustee may in lieu thereof accept other evidence of such fact or matter or may require such further or additional evidence as it may deem reasonable. Except as otherwise expressly provided herein, any request, order, notice, or other direction required or permitted to be furnished pursuant to any provision hereof by the City to the Trustee shall be sufficiently executed if executed in the name of the City by the City Representative.

The Trustee shall not be under any obligation to see to the recording or filing of this Indenture, or otherwise to the giving to any Person of notice of the provisions hereof except as expressly required in Section 9.13 herein.

Section 9.6. Compensation.

Unless otherwise provided by contract with the Trustee, the Trustee shall transfer from the Administrative Fund, from time to time, reasonable compensation for all services rendered by it hereunder, including its services as Registrar and Paying Agent, together with all its

reasonable expenses, charges, and other disbursements and those of its counsel, agents and employees, incurred in and about the administration and execution of the trusts hereby created and the exercise of its powers and the performance of its duties hereunder, subject to any limit on the amount of such compensation or recovery of expenses or other charges as shall be prescribed by specific agreement, and the Trustee shall have a lien therefor on any and all funds at any time held by it hereunder prior to any Bonds Outstanding. None of the provisions contained in this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur financial liability in the performance of any of its duties or in the exercise of any of its rights or powers, if in the judgment of the Trustee there are reasonable grounds for believing that the repayment of such funds or liability is not reasonably assured to it. If the City shall fail to make any payment required by this Section, the Trustee may make such payment from any moneys in its possession under the provisions of this Indenture and shall be entitled to a preference therefor over any Bonds Outstanding hereunder.

Section 9.7. Permitted Acts.

The Trustee and its directors, officers, employees, or agents may become the owner of or may in good faith buy, sell, own, hold and deal in Bonds and may join in any action that any Owner of Bonds may be entitled to take as fully and with the same rights as if it were not the Trustee. No such modification or amendment shall (i) extend the maturity of any Bond or reduce the interest rate thereon, or otherwise alter or impair the obligation of the City to pay the principal of, and the interest and any premium on, any Bond, without the express consent of the Owner of such Bond, or (ii) permit the creation by the City of any pledge or lien upon the Pledged Revenues superior to or on a parity with the pledge and lien created for the benefit of the Bonds (except as otherwise permitted by Applicable Laws or this Indenture), or reduce the percentage of Bonds required for the amendment hereof. Any such amendment may not modify any of the rights or obligations of the Trustee without its written consent.

A copy of such Supplemental Indenture, together with a request to Owners for their consent thereto, shall be mailed by first class mail, by the Trustee to each Owner of Bonds from whom consent is required under this Indenture, but failure to mail copies of such Supplemental Indenture and request shall not affect the validity of the Supplemental Indenture when assented to as in this Section provided.

Such Supplemental Indenture shall not become effective unless there shall be filed with the Trustee the written consents of the Owners as required by this Indenture and a notice shall have been mailed as hereinafter in this Section provided. Each such consent shall be effective only if accompanied by proof of ownership of the Bonds for which such consent is given, which proof shall be such as is permitted by Section 11.6 herein. Any such consent shall be binding upon the Owner of the Bonds giving such consent and on any subsequent Owner (whether or not such subsequent Owner has notice thereof), unless such consent is revoked in writing by the Owner giving such consent or a subsequent Owner by filing such revocation with the Trustee prior to the date when the notice hereinafter in this Section provided for has been mailed.

Proof of the mailing of such notice shall be filed with the Trustee. A record, consisting of the papers required by this Section 10.3 to be filed with the Trustee, shall be proof of the matters therein stated until the contrary is proved. The Supplemental Indenture shall become effective upon the filing with the Trustee of the proof of mailing of such notice, and the Supplemental Indenture shall be deemed conclusively binding (except as otherwise hereinabove specifically provided in this Article) upon the City and the Owners of all Bonds at the expiration of sixty (60) days after such filing, except in the event of a final decree of a court of competent jurisdiction setting aside such consent in a legal action or equitable proceeding for such purpose commenced within such sixty-day period.

Section 10.4. Effect of Supplemental Indenture.

In that case, upon demand of the Owner of any Bond Outstanding at such effective date and presentation of his Bond for that purpose at the designated office of the Trustee or at such other office as the City may select and designate for that purpose, a suitable notation shall be made on such Bond. The City may determine that new Bonds, so modified as in the opinion of the City is necessary to conform to such Owners' action, shall be prepared, executed, and delivered. In that case, upon demand of the Owner of any

Section 10.6. Amendatory Endorsement of Bonds.

The provisions of this Article X shall not prevent any Owner from accepting any amendment as to the particular Bonds held by such Owner, provided that due notation thereof is made on such Bonds.

Section 10.7. Waiver of Default

With the written consent of at least sixty-six and two-thirds percent (66-2/3%) in aggregate principal amount of the Bonds then Outstanding, the Owners may waive compliance by the City with certain past defaults under the Indenture and their consequences. manner provided herein, and that all proceedings at law or in equity shall be instituted and maintained in the manner provided herein and for the equal benefit of the Owners of all Bonds then Outstanding. The notification, request and furnishing of indemnity set forth above shall, at the option of the Trustee, be conditions precedent to the execution of the powers and trusts of this Indenture and to any action or cause of action for the enforcement of this Indenture or for any other remedy hereunder.

(b) Subject to Article VIII, nothing in this Indenture shall affect or impair the right of any Owner to enforce, by action at law, payment of any Bond at and after the maturity thereof, or on the date fixed for redemption or the obligation of the City to pay each Bond issued hereunder to the respective Owners thereof at the time and place, from the source and in the manner expressed herein and in the Bonds.

(c) In case the Trustee or any Owners shall have proceeded to enforce any right under this Indenture and such proceedings shall have been discontinued or abandoned for any reason or shall have been determined adversely to the Trustee or any Owners, then and in every such case the City, the Trustee and the Owners shall be restored to their former positions and rights hereunder, and all rights, remedies and powers of the Trustee shall continue as if no such proceedings had been taken.

(c) The restoration of the City to its prior position after any and all defaults have been cured, as provided in Section 11.3, shall not extend to or affect any subsequent default under this Indenture or impair any right consequent thereon.

Section 11.5. Effect of Waiver.

(a) No delay or omission of the Trustee, or any Owner, to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver of any such default or an acquiescence therein; and every power and remedy given by this Indenture to the Trustee or the Owners, respectively, may be exercised from time to time and as often as may be deemed expedient.

Ladies and Gentlemen:

The undersigned, Piper Jaffray & Co. (the "Underwriter"), offers to enter into this Agreement (this "Agreement") with the City of Austin, Texas (the "City") and Club Deal 120 Indian Hills Limited Partnership, a Delaware limited partnership authorized to do business in the State of Texas (the "Developer") which will be binding upon the City, the Developer and the Underwriter upon the acceptance hereof by the City and the Developer. This offer is made subject to its acceptance by the City and the Developer by execution of this Agreement and its delivery to the Underwriter on or before 10:00 p.m., Central Time, on the date hereof and, if not so accepted, will be subject to withdrawal by the Underwriter upon written notice delivered to the City and the Developer at any time prior to the acceptance hereof by the City and the Developer. All capitalized terms not otherwise defined herein shall have the meanings given to such terms in the Indentures described herein between the City and Deutsche Bank, National Trust Company as trustee (the "Trustee"), authorizing the issuance of the Bonds (defined herein), and in the Official Statements (defined herein).

1. Purchase and Sale of Bonds. Upon the terms and conditions and upon the basis of representations, warranties and agreements hereinafter set forth, the Underwriter hereby agrees to purchase from the City, and the City hereby agrees to sell to the Underwriter, all (but not less than all) of \$2,860,000 aggregate principal amount of the City of Austin, Texas, Special Assessment Revenue Bonds, Senior Series 2011 (Indian Hills Public Improvement District) (the "Senior Bonds"), at a purchase price of \$2,624,996.85 (representing the aggregate principal amount of the Senior Bonds, less a reoffering discount of \$154,923.15 and less an Underwriter's discount of \$80,080.00), and \$2,332,349.75 aggregate original principal amount of the City of Austin, Texas, Special Assessment Revenue Bonds, Subordinate Series 2011 (Indian Hills Public Improvement District) (the "Subordinate Bonds" and, together with the Senior Bonds, the "Bonds"), at a purchase price of \$2,308,583.11 (representing the aggregate original principal amount of the Subordinate Bonds less an Underwriter's discount of \$23,766.64).

Inasmuch as this purchase and sale represents a negotiated transaction, the City and the Developer understand, and hereby confirm, that the Underwriter is not acting as a fiduciary of the City or the Developer, but rather is acting solely in its capacity as Underwriter for its own account. The City and the Developer acknowledge and agree that (i) the purchase and sale of the Bonds pursuant to this Agreement is an arm's-length commercial transaction among the City, the Developer and the Underwriter, (ii) in connection therewith and with the discussions, undertakings, and procedures leading up to the consummation of this transaction, the Underwriter is and has been acting solely as a principal and is not acting as the agent or fiduciary of the City or the Developer, (iii) the Underwriter has not assumed an advisory or fiduciary responsibility in favor of the City or the Developer with respect to the offering described herein or the discussions, undertakings, and procedures leading thereto (regardless of whether the Underwriter has provided other services or are currently providing other services to the City or the Developer on other matters) and the Underwriter has no obligation to the City or the Developer with respect to the offering described herein except the obligations expressly set forth in this Agreement, and (iv) the City and the Developer have consulted their own legal, financial, and other advisors to the extent they have deemed appropriate.

The Bonds shall be dated the date of their issuance and delivery and shall have the maturities and redemption features, if any, and bear interest at the rates per annum shown on Appendix A hereto. Payment for and delivery of the Bonds, and the other actions contemplated hereby, shall take place on November 1, 2011 (or such other date as may be agreed to by the City, the Developer and the Underwriter) (the "Closing Date").

2. Authorization Instruments and Law. The Senior Bonds were authorized by an Ordinance enacted by the City Council of the City (the "City Council") on November 3, 2011 (the "Senior Bond Ordinance") and shall be issued pursuant to the provisions of Chapter 372, Texas Local Government Code, as amended (the "Act") and the Indenture of Trust, dated November 1, 2011, between the City and the Trustee, authorizing the issuance of the Senior Bonds (the "Senior Indenture"). A Service and Assessment Plan (the “Service and Assessment Plan”) which sets forth the costs of the Improvements (as defined in the Indentures) and the method of payment of the Special Assessments was adopted by the City Council on November 3, 2011, pursuant to Ordinance No. 20111103-011 (the “Special Assessment Ordinance” and, together with the Creation Resolution, the Senior Pledge Agreement, the Senior Indenture and the Senior Bond Ordinance, the “Senior Authorizing Documents”). The Subordinate Bonds shall be further secured by certain applicable funds and accounts created under the Subordinate Indenture. The Creation Resolution, the Special Assessment Ordinance, the Subordinate Pledge Agreement, the Subordinate Indenture, and the Subordinate Bond Ordinance are referred to collectively herein as the “Subordinate Authorizing Documents.” The Senior Authorizing Documents and the Subordinate Authorizing Documents are together referred to herein as the “Authorizing Documents.”

The Senior Bonds shall be as described in Appendix A, the Senior Indenture and the Official Statement (defined below). The Subordinate Bonds shall be as described in Appendix A, the Subordinate Indenture and the Official Statement.

3. Public Offering. The Underwriter agrees to make a bona fide public offering of all of the Bonds at prices not to exceed the public offering prices set forth on the inside cover pages of the Official Statements (defined below) and may subsequently change such offering prices without any requirement of prior notice. The Underwriter may offer and sell Bonds to certain dealers (including dealers depositing Bonds into investment trusts) and others at prices lower than the public offering prices (or yields higher than the public offering yields) stated on the inside cover pages of the Official Statements. On or before the third (3rd) business day before Closing, the Underwriter shall execute and deliver to Bond Counsel the Issue Price Certificates, in substantially the forms attached hereto as Appendix B.

4. Official Statements.

(a) Delivery of Official Statements. The City previously has delivered, or caused to be delivered, to the Underwriter the Preliminary Official Statement for the Senior Bonds dated August 4, 2011, the Updated Preliminary Official Statement for the Senior Bonds dated September 8, 2011, and the Supplement to Updated Preliminary Official Statement for the Senior Bonds dated October 26, 2011 (together, the "Senior Bonds Preliminary Official Statement") and the Preliminary Official Statement for the Subordinate Bonds dated September 8, 2011, and the Updated Preliminary Official Statement dated October 26, 2011 (the "Subordinate Bonds Preliminary Official Statement" and, together with the Senior Bonds Preliminary Official Statement, the "Preliminary Official Statements"), both in a "designated electronic format," as defined in the Municipal Securities Rulemaking Board ("MSRB") Rule G-32 ("Rule G-32"). The City will prepare, or cause to be prepared, a final Official Statement relating to the Senior Bonds (the "Senior Bonds Official Statement") and a final Official Statement relating to the Subordinate Bonds (the "Subordinate Bonds Official Statement"), which will be (i) dated the date of this Agreement, (ii) complete within the meaning of the United States Securities and Exchange Commission's Rule 15c2-12, as amended (the "Rule"), (iii) in a "designated electronic format" and (iv) substantially in the form of the most recent version of the Senior Bonds Preliminary Official Statement or the Subordinate Bonds Preliminary Official Statement, as the case may be, provided to the Underwriter before the execution hereof. The Senior Bonds Official Statement and the Subordinate Bonds Official Statement, including the cover pages thereto, all exhibits, schedules, appendices, maps, charts, pictures, diagrams, reports, and statements included or incorporated therein or attached thereto, and all amendments and supplements thereto that may be authorized

for use with respect to either series of the Bonds are collectively referred to herein as the "Official Statements." Until the Official Statements have been prepared and are available for distribution, the City shall provide to the Underwriter sufficient quantities (which may be in electronic format) of the Preliminary Official Statements as the Underwriter deems necessary to satisfy the obligation of the Underwriter under the Rule with respect to distribution to each potential customer, upon request, of a copy of the applicable Preliminary Official Statement.

(b) Preliminary Official Statements Deemed Final. The Preliminary Official Statements have been prepared for use by the Underwriter in connection with the public offering, sale and distribution of the Bonds. The City hereby represents and warrants that the Preliminary Official Statements have been deemed final by the City as of their date, except for the omission of such information which is dependent upon the final pricing of the Bonds for completion, all as permitted to be excluded by Section (b)(1) of the Rule.

(c) Use of Official Statements in Offering and Sale. The City hereby authorizes the Official Statements and the information therein contained to be used by the Underwriter in connection with the public offering and the sale of the Bonds. The City consents to the use by the Underwriter prior to the date hereof of the Preliminary Official Statements in connection with the public offering of the Bonds. The City shall provide, or cause to be provided, to the Underwriter as soon as practicable after the date of the City's acceptance of this Agreement (but, in any event, not later than within seven (7) business days after the City's acceptance of this Agreement and in sufficient time to accompany any confirmation that requests payment from any customer) copies of the Official Statements which are complete as of the date of their delivery to the Underwriter. The City shall provide the Official Statements, or cause the Official Statements to be provided, (i) in a "designated electronic format" consistent with the requirements of Rule G-32 and (ii) in a printed format in such quantity as the Underwriter shall request in order for the Underwriter to comply with Section (b)(4) of the Rule and the rules of the MSRB.

(d) Updating of Official Statements. If, after the date of this Agreement, up to and including the date the Underwriter is no longer required to provide an Official Statement to potential customers who request the same pursuant to the Rule (the earlier of (i) ninety (90) days from the "end of the underwriting period" (as defined in the Rule) and (ii) the time when the Official Statement is available to any person from the MSRB, but in no case less than twenty-five (25) days after the "end of the underwriting period" for the Bonds), the City or the Developer becomes aware of any fact or event which might or would cause either Official Statement, as then supplemented or amended, to contain any untrue statement of a material fact or to omit to state a material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading, or if it is necessary to amend or supplement either Official Statement to comply with law, the City or the Developer, as applicable, will notify the Underwriter (and for the purposes of this clause provide the Underwriter with such information as it may from time to time request), and if, in the reasonable judgment of the Underwriter, such fact or event requires preparation and publication of a supplement or amendment to either Official Statement, the City will forthwith prepare and furnish, at the City's own expense (in a form and manner approved

by the Underwriter), either an amendment or a supplement to applicable Official Statement(s) so that the statements therein as so amended and supplemented will not contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading or so that the applicable Official Statement(s) will comply with law; provided, however, that for all purposes of this Agreement and any certificate delivered by the City or the Developer in accordance herewith, (i) neither the City nor the Developer makes any representations with respect to the descriptions in the Preliminary Official Statements or the Official Statements of The Depository Trust Company, New York, New York, or its book-entry-only system, (ii) the City makes no representations with respect to the information in the Preliminary Official Statements or the Official Statements under the captions "THE IMPROVEMENTS," "THE DEVELOPMENT," "THE DEVELOPER," "BONDHOLDER RISKS" (only as it pertains to the Developer and the Development) and "LEGAL MATTERS — Litigation — The Developer;" and (iii) the Developer makes no representations with respect to the information in the Preliminary Official Statements and the Official Statements under the captions "THE CITY," "THE DISTRICT," "THE IMPROVEMENTS" and "LEGAL MATTERS — Litigation - The City." If such notification shall be subsequent to the Closing, the City, at the expense of the Developer, shall furnish such legal opinions, certificates, instruments and other documents as the Underwriter may reasonably deem necessary to evidence the truth and accuracy of such supplement or amendment to the Official Statement(s). The City shall provide any such amendment or supplement, or cause any such amendment or supplement to be provided, (i) in a "designated electronic format" consistent with the requirements of Rule G-32 and (ii) in a printed format in such quantity as the Underwriter shall request in order for the Underwriter to comply with Section (b)(4) of the Rule and the rules of the MSRB.

(e) Filing with MSRB. The Underwriter hereby agrees to timely file the Official Statements with MSRB through its Electronic Municipal Market Access ("EMMA") system on or before the date of Closing. Unless otherwise notified in writing by the Underwriter, the City can assume that the "end of the underwriting period" for purposes of the Rule is the date of the Closing.

5. City Representations, Warranties and Covenants. The City represents, warrants and covenants to the Underwriter and the Developer that:

(a) Due Organization, Existence and Authority. The City is a political subdivision of the State of Texas (the "State"), and has, and at the Closing Date will have, full legal right, power and authority (i) to enter into this Agreement, the Indentures, the Financing Agreement, the Water CRA, the Escrow Agreement, the Pledge Agreements, the Landowner Agreement, dated as of November 1, 2011, executed and delivered by the City and the Developer (the "Landowner Agreement") and the Continuing Disclosure Agreements with respect to the Bonds, both dated as of November 1, 2011 (the "Continuing Disclosure Agreements"), executed and delivered by the City, the Developer and the Trustee, (ii) to issue, sell and deliver the Bonds to the Underwriter as provided herein, and (iii) to carry out and consummate the transactions on its part contemplated by the Authorizing Documents, this Agreement, the Financing Agreement,

the Water CRA, the Escrow Agreement, the Pledge Agreements, the Landowner Agreement, the Official Statements, the Continuing Disclosure Agreements and any other documents and certificates contemplated by any of the foregoing (collectively, the "City Documents").

(b) Due Authorization and Approval of City. By all necessary official action of the City, the City has duly authorized and approved the adoption or execution and delivery by the City of, and the performance by the City of the obligations on its part contained in, the City Documents and, as of the date hereof, such authorizations and approvals are in full force and effect and have not been amended, modified or rescinded. When validly executed and delivered by the other parties thereto, the City Documents will constitute the legally valid and binding obligations of the City enforceable upon the City in accordance with their respective terms, except insofar as enforcement may be limited by principles of sovereign immunity, bankruptcy, insolvency, reorganization, moratorium or similar laws or equitable principles relating to or affecting creditors' rights generally. The City has complied, and will at the Closing (defined herein) be in compliance in all respects, with the obligations on its part to be performed on or prior to the Closing Date under the City Documents.

(c) Due Authorization for Issuance of the Bonds. The City has duly authorized the issuance and sale of the Bonds pursuant to the Bond Ordinances, the Indentures and the Act. The City has, and at the Closing Date will have, full legal right, power and authority (i) to enter into, execute, deliver and perform its obligations under this Agreement and the City Documents, (ii) to issue, sell and deliver the Bonds to the Underwriter pursuant to the Indentures, the Bond Ordinances, the Act and as provided herein, and (iii) to carry out, give effect to and consummate the transactions on the part of the City contemplated by the City Documents and the Bond Ordinances.

(d) No Breach or Default. As of the time of acceptance hereof, and to the best of its knowledge, the City is not, and as of the Closing Date the City will not be, in breach of or in default in any material respect under any applicable constitutional provision, law or administrative rule or regulation of the State or the United States, or any applicable judgment or decree or any trust agreement, loan agreement, bond, note, resolution, ordinance, agreement or other instrument related to the Bonds and to which the City is a party or is otherwise subject, and no event has occurred and is continuing which, with the passage of time or the giving of notice, or both, would constitute a default or event of default under any such instrument which breach, default or event could have a material adverse effect on the City's ability to perform its obligations under the Bonds or the City Documents; and, as of such times, the authorization, execution and delivery of the Bonds and the City Documents and compliance by the City with obligations on its part to be performed in each of such agreements or instruments does not and will not conflict with or constitute a breach of or default under any applicable constitutional provision, law or administrative rule or regulation of the State or the United States, or any applicable judgment, decree, license, permit, trust agreement, loan agreement, bond, note, resolution, ordinance, agreement or other instrument to which the City (or any of its officers in their respective capacities as such) is subject, or by which it or any of its properties are bound, nor will any such authorization, execution, delivery or

compliance result in the creation or imposition of any lien, charge or other security interest or encumbrance of any nature whatsoever upon any of its assets or properties or under the terms of any such law, regulation or instrument, except as may be permitted by the City Documents.

(e) No Litigation. At the time of acceptance hereof there is, no action, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court, government agency, public board or body (collectively and individually, an "Action") pending against the City with respect to which the City has been served with process, nor to the knowledge of the City is any Action threatened against the City, in which any such Action (i) in any way questions the existence of the City or the rights of the members of the City Council to hold their respective positions, (ii) in any way questions the formation or existence of the District, (iii) affects, contests or seeks to prohibit, restrain or enjoin the issuance or delivery of any of the Bonds, or the payment or collection of any amounts pledged or to be pledged to pay the principal of and interest on the Bonds, or in any way contests or affects the validity of the City Documents or the consummation of the transactions on the part of the City contemplated thereby, or contests the exclusion of the interest on the Bonds from federal income taxation, or (iv) which may result in any material adverse change in the financial condition of the City; and, as of the time of acceptance hereof there is no basis for any action, suit, proceeding, inquiry or investigation of the nature described in clauses (i) through (iv) of this sentence.

(f) Bonds Issued Pursuant to Indentures. The City represents that the Bonds, when issued, executed and delivered in accordance with the Indentures and sold to the Underwriter as provided herein, will be validly issued and outstanding obligations of the City subject to the terms of the Indentures, entitled to the benefits of the Indentures and, (i) with respect to the Senior Bonds, the security of the pledge of the proceeds of the levy of the Special Assessments received by the City and any payments received by the Trustee pursuant to the Escrow Agreement and the Senior Pledge Agreement, and (ii) with respect to the Subordinate Bonds, the security of the pledge of the payments by the City pursuant to the Water CRA and the proceeds of the levy of the Special Assessments received by the City (subject and subordinate to the use of such proceeds to pay debt service requirements of, funding of debt service reserve requirements for and other costs related to the Senior Bonds), all to the extent provided for in the Indentures. The Indentures create valid pledges of the monies in certain funds and accounts established pursuant to the Indentures to the extent provided for in the Indentures, including the investments thereof, subject in all cases to the provisions of the Indentures permitting the application thereof for the purposes and on the terms and conditions set forth therein.

(g) Special Assessments. The Special Assessments constituting the security for the Bonds have been levied by the City in accordance with the Act on those parcels of land identified in the Assessment Roll (as defined in the Service and Assessment Plan). According to the Act, such Special Assessments constitute a valid and legally binding first and prior lien against the properties assessed, superior to all other liens and claims, except liens or claims for State, county, school district, or municipality ad valorem taxes.

(h) Water CRA and Pledge Agreements. The Water CRA and the Pledge Agreements have been duly authorized, executed and delivered by the City and constitute the legal, valid and binding obligations of the City, enforceable in accordance with their respective terms, except as enforcement thereof may be limited by bankruptcy, insolvency or other laws affecting enforcement of creditors rights, or by the application of equitable principles if equitable remedies are sought and to the application of Texas law relating to governmental immunity applicable to governmental entities.

(i) Consents and Approvals. All authorizations, approvals, licenses, permits, consents, elections, and orders of or filings with any governmental authority, legislative body, board, agency or commission having jurisdiction in the matters which are required by the Closing Date for the due authorization of, which would constitute a condition precedent to or the absence of which would adversely affect the due performance by the City of, its obligations in connection with the City Documents have been duly obtained or made and are in full force and effect, except the approval of the Bonds by the Attorney General of the State, registration of the Bonds by the Comptroller of Public Accounts of the State, the approvals, consents and orders as may be required under Blue Sky or securities laws of any jurisdiction.

(j) No Adverse IRS Listing. The City has not been notified of any listing or proposed listing by the Internal Revenue Service to the effect that the City is an issuer whose arbitrage certifications may not be relied upon.

(k) Public Debt. Prior to the Closing, the City will not offer or issue any bonds, notes or other obligations for borrowed money or incur any material liabilities, direct or contingent, payable from or secured by a pledge of the Special Assessments which secure the Bonds or the payments by the City pursuant to the Water CRA which secure the Subordinate Bonds without the prior approval of the Underwriter.

(l) Preliminary Official Statements. The information contained in the Preliminary Official Statements with respect to the City under the captions "THE CITY," "THE DISTRICT," "THE IMPROVEMENTS" and "LEGAL MATTERS — Litigation - The City" is true and correct in all material respects, and such information does not contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading.

(m) Official Statements. At the time of the City's acceptance hereof and (unless the Official Statement is amended or supplemented pursuant to paragraph (d) of Section 4 of this Agreement) at all times subsequent thereto during the period up to and including twenty-five (25) days subsequent to the "end of the underwriting period," the information contained in the Official Statements with respect to the City under the captions "THE CITY," "THE DISTRICT," "THE IMPROVEMENTS" and "LEGAL MATTERS — Litigation - The City" does not and will not contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading; provided, however, that if the City notifies the Underwriter

of any fact or event as required by Section 4(d) hereof, and the Underwriter determines that such fact or event does not require preparation and publication of a supplement or amendment to the Official Statement, then the Official Statement in its then-current form shall be conclusively deemed to be complete and correct in all material respects.

(n) Supplements or Amendments to Official Statements. If either of the Official Statements is supplemented or amended pursuant to paragraph (d) of Section 4 of this Agreement, at the time of each supplement or amendment thereto and (unless subsequently again supplemented or amended pursuant to such paragraph) at all times subsequent thereto during the period up to and including twenty-five (25) days subsequent to the "end of the underwriting period," the Official Statement(s) as so supplemented or amended will not contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which made, not misleading; provided, however, that if the City notifies the Underwriter of any fact or event as required by Section 4(d) hereof, and the Underwriter determines that such fact or event does not require preparation and publication of a supplement or amendment to the Official Statement, then the Official Statement in its then-current form shall be conclusively deemed to be complete and correct in all material respects.

(o) Compliance with the Rule. During the last five (5) years, the City has complied in all material respects with its previous continuing disclosure undertakings made by it in accordance with the Rule.

(p) Use of Bond Proceeds. The City will apply, or cause to be applied, the proceeds from the sale of the Bonds as provided in and subject to all of the terms and provisions of the Indentures and will not take or omit to take any action which action or omission will adversely affect the exclusion from gross income for federal income tax purposes of the interest on the Bonds.

(q) Blue Sky and Securities Laws and Regulations. The City will furnish such information and execute such instruments and take such action in cooperation with the Underwriter as the Underwriter may request, at no expense to the City, (i) to (y) qualify the Bonds for offer and sale under the Blue Sky or other securities laws and regulations of such states and other jurisdictions in the United States as the Underwriter may designate and (z) determine the eligibility of the Bonds for investment under the laws of such states and other jurisdictions and (ii) to continue such qualifications in effect so long as required for the initial distribution of the Bonds by the Underwriter (provided, however, that the City will not be required to qualify as a foreign corporation or to file any general or special consents to service of process under the laws of any jurisdiction) and will advise the Underwriter immediately of receipt by the City of any notification with respect to the suspension of the qualification of the Bonds for sale in any jurisdiction or the initiation or threat of any proceeding for that purpose.

(ii) legislation shall be enacted by the Congress of the United States, or a decision by a court of the United States shall be rendered, or a stop order, ruling, regulation or official statement by, or on behalf of, the Securities and Exchange Commission or any other governmental agency having jurisdiction of the subject matter shall be issued or made to the effect that the issuance, offering or sale of obligations of the general character of the Bonds, or the issuance, offering or sale of the Bonds, including all underlying obligations, as contemplated hereby or by the Official Statements, is in violation or would be in violation of, or that obligations of the general character of the Bonds, or the Bonds, are not exempt from registration under, any provision of the federal securities laws, including the Securities Act of 1933, as amended and as then in effect, or that the Indentures need to be qualified under the Trust Indenture Act of 1939, as amended and as then in effect; or

(vi) any amendment to the federal or state Constitution or action by any federal or state court, legislative body, regulatory body, or other authority materially adversely affecting the tax status of the City, its property, income securities (or interest thereon), or the validity or enforceability of the Assessments, the Water CRA or the Pledge Agreements to pay principal of and interest on, or Maturity Value of, as the case may be, the Bonds;

(vii) any event occurring, or information becoming known which, in the reasonable judgment of the Underwriter, makes untrue in any material respect any statement or information contained in either of the Official Statements, or has the effect that either of the Official Statements contains any untrue statement of material fact or omits to state a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading;

(x) any fact or event shall exist or have existed that, in the Underwriter's reasonable judgment, requires or has required an amendment of or supplement to either of the Official Statements;

(xi) there shall have occurred any downgrading or published negative credit watch or similar published information from a rating agency that at the date of this Agreement has published a rating (or has been asked to furnish a rating) on the Subordinate Bonds, which action reflects a change or possible change in the ratings accorded the Subordinate Bonds;

(xii) a material disruption in securities settlement, payment or clearance services shall have occurred; and

(xiii) the purchase of and payment for the Bonds by the Underwriter, or the resale of the Bonds by the Underwriter, on the terms and conditions herein provided shall be prohibited by any applicable law, governmental authority, board, agency or commission.

(a) The Developer will indemnify and hold harmless the City and the Underwriter and each of their officers, directors, employees and agents against any losses, claims, damages or liabilities to which any of them may become subject, under the Securities Act or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon an untrue statement or alleged untrue statement of a material fact contained or incorporated by reference in the Official Statements under the captions "THE IMPROVEMENTS," "THE DEVELOPMENT," "THE DEVELOPER," "BONDHOLDERS' RISKS" (only as it pertains to the Developer and the Development) and "LEGAL MATTERS — Litigation – The Developer," or any amendment or supplement to the Official Statements amending or supplementing the information contained under the aforementioned captions (as qualified above), or arise out of or are based upon the omission or alleged untrue statement or omission to state therein a material fact necessary to make the statements under the aforementioned captions (as qualified above) not misleading under the circumstances under which they were made and will reimburse any indemnified party for any reasonable legal or other expenses reasonably incurred by them in connection with investigating or defending any such action or claim as such expenses are incurred. Notwithstanding any provision in this Agreement to the contrary, the Developer shall have no liability to the Underwriter, the City or any other person for any untrue, inaccurate or misleading statement set forth in the introductory paragraph of this Agreement or numbered Sections 2 through 5, 7, 8(d) through 8(f), 9(a) through 9(e), 9(g) through 9(j), 9(m) through 9(o), 9(q) through 9(s) or 10.

subsection. In case any such action shall be brought against an indemnified party and it shall notify the indemnifying party of the commencement thereof, the indemnifying party shall be entitled to participate therein and, to the extent that it shall wish, to assume the defense thereof, with counsel reasonably satisfactory to such indemnified party (who shall not, except with the consent of the indemnified party, be counsel to the indemnifying party), and, after notice from the indemnifying party to such indemnified party of its election so to assume the defense thereof, the indemnifying party shall not be liable to such indemnified party under such subsection for any legal expenses of other counsel or any other expenses, in each case subsequently incurred by such indemnified party, in connection with the defense thereof other than reasonable costs of investigation. The indemnifying party shall not be liable for any settlement of any such action effected without its consent, but if settled with the consent of the indemnifying party or if there is a final judgment for the plaintiff in any such action, the indemnifying party will indemnify and hold harmless any indemnified party from and against any loss or liability by reason of such settlement or judgment. (INDIAN HILLS PUBLIC IMPROVEMENT DISTRICT)

AND

\$2,332,349.75
CITY OF AUSTIN, TEXAS,
SPECIAL ASSESSMENT REVENUE BONDS, SUBORDINATE SERIES 2011
(INDIAN HILLS PUBLIC IMPROVEMENT DISTRICT)

Ladies and Gentlemen:

I am the City Attorney for the City of Austin, Texas (the "City"), and am rendering this opinion in connection with the issuance and sale of \$2,860,000 City of Austin, Texas, Special Assessment Revenue Bonds, Senior Series 2011 (Indian Hills Public Improvement District) and \$2,332,349.75 City of Austin, Texas, Special Assessment Revenue Bonds, Subordinate Series 2011 (Indian Hills Public Improvement District) (together, the "Bonds"), by the City, a political subdivision of the State of Texas.

The Bonds are authorized pursuant to Ordinance Nos. 20111103-052 and 20111103-053 enacted by the City Council of the City (the "City Council") on November 3, 2011 (together, the "Bond Ordinances") and shall be issued pursuant to the provisions of the Public Improvement District Act, Chapter 372, Texas Local Government Code, as amended (the "Act") and the Indentures of Trust dated as of November 1, 2011 (together, the "Indentures") by and between the City and Deutsche Bank National Trust Company, as trustee (the "Trustee"). Capitalized terms not defined herein shall have the same meanings as in the Indentures, unless otherwise stated herein.

In connection with rendering this opinion, I have reviewed the:

- (a) The Bond Ordinances.
- (b) The Resolution No. 20100826-026 (the "Creation Resolution") enacted by the City Council on August 26, 2010.

(c) The Ordinance No. 20111103-011 accepted and approved by City Council on November 3, 2011, and the Service and Assessment plan attached as an exhibit thereto (the "Special Assessment Ordinance").

(d) The Indentures.

(e) The Escrow Agreement, dated as of November 1, 2011, executed and delivered by the City, the Developer and the escrow agent named therein (the "Escrow Agreement").

(f) The Security, Assignment and Pledge Agreement, dated as of November 1, 2011, executed and delivered by the City and the Trustee with respect to the Senior Bonds (the "Senior Pledge Agreement").

(g) The Restated Cost Reimbursement Agreement (Water) and Second Amendment to the Cost Reimbursement Agreement (Wastewater) - Whisper Valley and Indian Hills Subdivisions, as amended, by and between the City and the Developer (the "Water CRA").

(h) The Security Assignment and Pledge Agreement, dated as of November 1, 2011, executed and delivered by the City, the Developer and the Trustee with respect to the Subordinate Bonds (the "Subordinate Pledge Agreement" and, together with the Senior Pledge Agreement, the "Pledge Agreements").

(i) The Financing Agreement, dated as of November 1, 2011, executed and delivered by the City and the Developer (the "Financing Agreement").

(j) The Landowner Agreement, dated as of November 1, 2011, executed and delivered by the City and the Developer (the "Landowner Agreement")

(k) The Continuing Disclosure Agreements, dated as of November 1, 2011, executed and delivered by the City, the Developer and the Trustee (the "Disclosure Agreements").

The Bond Ordinances, the Creation Resolution, the Special Assessment Ordinance, the Escrow Agreement, the Water CRA, the Pledge Agreements, the Financing Agreement and the Landowner Agreement shall herein after be referred to as the "Authorizing Documents" and the remaining documents shall herein after be collectively referred to as the "City Documents."

In all such examinations, I have assumed that all signatures on documents and instruments executed by the City are genuine and that all documents submitted to me as copies conform to the originals. In addition, for purposes of this opinion, I have assumed the due authorization, execution and delivery of the City Documents by all parties other than the City.

Based upon and subject to the foregoing and the additional qualifications and assumptions set forth herein, I am of the opinion that:

1. The City is a Texas political subdivision and has all necessary power and authority to enter into and perform its obligations under the City Documents. The City has taken or obtained all actions, approvals, consents and authorizations required of it by applicable laws in

connection with the execution of the City Documents and the performance of its obligations thereunder.

2. There is no action, suit, proceeding, inquiry or investigation at law or in equity, before or by any court, public board or body, pending or, to the best of my knowledge, threatened against the City (a) affecting the organization and existence of the City or the titles of its officers to their respective offices, (b) in any way questioning the formation or existence of the District, (c) affecting, contesting or seeking to prohibit, restrain or enjoin the delivery of any of the Bonds, or the payment, collection or application of any amounts pledged or to be pledged to pay the principal of and interest on, or Maturity Amount of, as the case may be, the Bonds, including the special assessments in the Indian Hills Public Improvement District pursuant to the provisions of the Special Assessment Ordinance and the Service and Assessment Plan referenced therein, (d) contesting or affecting the validity or enforceability or the City's performance of the City Documents, (e) contesting the exclusion of the interest on the Bonds from federal income taxation, or (f) which may result in any material adverse change relating to the financial condition of the City; and there is no basis for any action, suit, proceeding, inquiry or investigation of the nature described in clauses (a) through (f) of this sentence.

3. The Authorizing Documents were duly enacted by the City and remain in full force and effect on the date hereof.

4. The City Documents have been duly authorized, executed and delivered by the City and remain legal, valid and binding obligations of the City enforceable against the City in accordance with their terms. However, the enforceability of the obligations of the City under the City Documents may be limited or otherwise affected by (a) bankruptcy, insolvency, reorganization, moratorium and other laws affecting the rights of creditors generally, (b) principles of equity, whether considered at law or in equity, and (c) the application of Texas law relating to governmental immunity applicable to governmental entities.

5. The performance by the City of the obligations under the City Documents will not violate any provision of any Federal or Texas constitutional or statutory provision.

6. No further consent, approval, authorization or order of any court or governmental agency or body or official is required to be obtained by the City as a condition precedent to the performance by the City of its obligations under the City Documents.

7. The adoption of the Authorizing Documents and the execution and delivery of the City Documents and the compliance with the provisions of the Authorizing Documents and the City Documents under the circumstances contemplated thereby (a) do not and will not to my knowledge in any material respect conflict with or constitute on the part of the City a breach of or default under any agreement to which the City is a party or by which it is bound, and (b) do not and will not in any material respect conflict with or constitute on the part of the City a violation, breach of or default under any existing law, regulation, court order or consent decree to which the City is subject.

This opinion may not be relied upon by any other person except those specifically addressed in this letter.

Very truly yours,

(f) Such other documents, records, agreements and certificates of the Developer and such other parties as we have deemed necessary or appropriate to enable us to render the opinions expressed below.

In basing the opinions and other matters set forth herein on "our knowledge," the words "our knowledge" signify that, in the course of our representation of the Developer the principal attorneys in this firm involved in the current actual transaction do not have actual knowledge or actual notice that any such opinions or other matters are not accurate or that any of the documents, certificates, reports and information on which we have relied are not accurate and complete. Except as otherwise stated herein, we have undertaken no independent investigation or certification of such matters. The words "our knowledge" and similar language used herein are intended to be limited to the knowledge of the attorneys within our firm who have worked on the matters contemplated by our representation as special counsel.

In rendering the opinions set forth herein, we have assumed, without independent investigation, that (i) all persons other than the Developer have duly and validly executed and delivered each instrument, document, and agreement constituting a Document or executed in connection therewith to which such party is a signatory, and each such party's obligations set forth therein are its legal, valid, and binding obligations, enforceable in accordance with the terms thereof; (ii) each person executing any such instrument, document, or agreement other than the Developer is duly authorized and has the legal power to do so; (iii) each natural person executing any such instrument, document, or agreement is legally competent to do so; (iv) there are no oral or written modifications of, or amendments to, the Documents, and there has been no waiver of any of the provisions thereof, by actions or conduct of the parties or otherwise; (v) all representations of fact set forth in the Documents are complete and accurate, insofar as such facts pertain to the subject matter of the opinions rendered hereby; and (vi) all documents submitted to us as originals are complete and authentic, all documents submitted to us as certified, conformed or photostatic copies conform to the original documents, all signatures on all documents submitted to us for examination are genuine, and all public records and certificates of public officials are accurate and complete.

In addition, we have assumed that the Documents accurately reflect the complete understanding of the parties with respect to the transactions contemplated thereby and the rights and obligations of the parties thereunder. We have also assumed that the terms and conditions of the transaction as reflected in the Documents have not been amended, modified or supplemented, directly or indirectly, by any other agreement or understanding of the parties or waiver of any of the material provisions of the Documents.

We assume that none of the parties to the Documents (other than Developer) is a party to any court or regulatory proceeding relating to or otherwise affecting the Documents or is subject to any order, writ, injunction or decree of any court or federal, state or local governmental agency or commission that would prohibit the execution and delivery of the Documents, or the

consummation of the transactions therein contemplated in the manner therein provided, or impair the validity or enforceability thereof. We assume that each of the parties to the Documents (other than Developer) has full authority to close this transaction in accordance with the terms and provisions of the Documents.

We assume that neither the Underwriter nor the City nor their respective counsel has any current actual knowledge of any facts not known to us or any law or judicial decision which would make the opinions set forth herein incorrect, and that no party upon whom we have relied for purposes of this opinion letter has perpetrated a fraud.

We have only been engaged by our clients in connection with the Documents (and the transactions contemplated in the Documents) and do not represent these clients generally.

Opinions and Assurances

Based solely upon the foregoing, and subject to the assumptions and limitations set forth herein, we are of the opinion that:

1. The general partner of the Developer is in good standing and the Developer is qualified to do business in and in good standing under the laws of the State of Texas.

2. The Developer has the full legal right, power and authority to execute, deliver and perform its obligations under each of the Documents to which it is a party and has taken all necessary actions to authorize the execution, distribution and delivery by it of such Documents and the performance by it of such obligations.

3. The execution, delivery and performance by the Developer of the Documents to which it is a party, and compliance and performance by the Developer with the terms and provisions thereof and obligations thereunder, will not:

(i) to our knowledge, violate or conflict with any provision of any existing law, statute, rule or regulation applicable to the Developer by reason of the general conduct of its business and operation of its assets;

(ii) based solely upon the Developer Certificates and our knowledge, conflict with or result in the breach of any court decree or order of any governmental body binding upon or affecting the Developer, the conflict with which or breach of which would have a material, adverse effect on the ability of the Developer to perform its obligations under the Documents to which it is a party; or

(iii) contravene or conflict with the Developer Basic Documents.

4. To our knowledge, no consent, approval, authorization or other action by, or filing with, any governmental authority is required for the execution and delivery by the Developer of the Documents to which the Developer is a party or the performance of its obligations thereunder, other than as are required with respect to the financing transaction evidenced thereby, or if required, and not otherwise obtained, with respect to which the requisite consent,

approval or authorization has been obtained, the requisite filing has been accomplished or the requisite action has been taken at or prior to the date required therefor.

5. The Developer has duly executed and delivered each of the Documents to which it is a party, and each of such Documents constitutes the legal, valid and binding obligation of the Developer, enforceable against the Developer in accordance with its terms.

6. Based solely upon the Developer Certificates, to our knowledge after reasonable inquiry, there are no actions, suits or proceedings pending against the Developer in any court of law or equity, or before or by any governmental instrumentality with respect to (i) its organization or existence or qualification to do business in the State of Texas; (ii) its authority to execute or deliver the Documents to which it is a party; (iii) the validity or enforceability against it of such Documents or the transactions contemplated thereby; (iv) the titles of its officers executing the Documents; (v) the execution and delivery of the Documents on behalf of the Developer; or (vi) the operations or financial condition of the Developer that would materially adversely affect those operations or the financial condition of the Developer.

7. Based solely upon the Developer Certificates, to our knowledge, no taxes or other charges, including, without limitation, intangible or documentary stamp taxes, mortgage or recording taxes, transfer taxes or similar charges, are payable to the State of Texas by the Developer on account of its execution or delivery of any of the Documents or the creation of the indebtedness evidenced or secured by any of the Documents or the recording or filing of any of the Documents, except for normal filing or recording fees.

8. In addition, we advise you that no facts have come to our attention that would lead us to believe that the information set forth in the Official Statement under the captions "THE IMPROVEMENTS," "THE DEVELOPMENT," "THE DEVELOPER" and "BONDHOLDERS' RISK FACTORS" (only as it pertains to the Developer and the Development) fairly and accurately presents the information purported to be shown therein and (except for Appendices A, C and E, as well as any other financial, engineering and statistical data contained therein or elsewhere in the Official Statement or included therein by reference, as to which we express no view) as of the date hereof, nothing has come to the attention of those individuals working on this matter on behalf of this firm which would lead us to believe that such information contains an untrue statement of a material fact or that such information omits to state a material fact required to be stated therein in order to make the statements made therein, in the light of the circumstances under which they were made, not misleading.

9. Based solely on the Developer Certificates, to our knowledge, the execution and delivery of the Developer Basic Documents and the Documents do not, and the transactions contemplated thereby may be consummated and the terms and conditions thereof may be observed and performed in a manner that does not, conflict with or constitute a breach of or default under any loan agreement, indenture, bond note, resolution, agreement or other instrument to which the Developer is a party or is otherwise subject which violation, breach or default would materially adversely affect the Developer or the transactions contemplated by the Documents; nor will any such execution, delivery, adoption, fulfillment, or compliance result in the creation or imposition of any lien, charge or other security interest or encumbrance of any nature whatsoever upon any of the property or assets of the Developer, except as expressly

contemplated by the Documents (a) under the terms of any such law, administrative regulation, judgment or decree or (b) under any such loan agreement, indenture, bond note, resolution, agreement, or other instrument.

Qualifications

In addition to any assumptions, qualifications and other matters set forth elsewhere herein, the opinions set forth above are subject to the following assumptions and qualifications:

(a) We have not examined any court dockets, agency files or other public records regarding the entry of any judgments, writs, decrees or orders or the pendency of any actions, proceedings, investigations or litigation.

(b) We have relied upon the Developer Certificates, as well as the representations of the Developer contained in the Documents, with respect to certain facts material to our opinion. Except as otherwise specifically indicated herein, we have made no independent investigation regarding any of the foregoing documents or the representations contained therein.

(c) Our opinion delivered pursuant to Section 5 above is subject to the effect of any applicable bankruptcy, insolvency, reorganization, fraudulent conveyance, moratorium or other laws affecting creditors' rights generally and to the effect of general principles of equity, including (without limitation) remedies of specific performance and injunctive relief and concepts of materiality, reasonableness, good faith and fair dealing (regardless of whether considered in a proceeding in equity or at law).

(d) Except for the Documents, we have not reviewed, and express no opinion as to, any other contracts or agreements to which the Developer is a party or by which the Developer is or may be bound.

EXHIBIT C
FINANCING AGREEMENT

INDIAN HILLS PUBLIC IMPROVEMENT DISTRICT
FINANCING AGREEMENT

BETWEEN

CLUB DEAL 116 INDIAN HILLS TX, LIMITED PARTNERSHIP

AND

THE CITY OF AUSTIN, TEXAS

INDIAN HILLS PUBLIC IMPROVEMENT DISTRICT
FINANCING AGREEMENT

This Indian Hills Public Improvement District Financing Agreement (this "**Agreement**"), dated as of November 1, 2011 (the "**Effective Date**"), is entered into between Club Deal 116 Indian Hills TX, Limited Partnership, a Delaware limited partnership (including its successors, assigns, or transferees, the "**Developer**"), and the City of Austin, Texas (the "**City**"), a municipal corporation, acting by and through its duly authorized representative.

Recitals:

WHEREAS, Developer owns a total of approximately 234 acres of land located in the City of Austin, Travis County, Texas, contained within the area described in the attached Exhibit "B" (the "**Property**"). The Property is located in the City's extraterritorial jurisdiction ("**ETJ**") and has been annexed by the City for limited purposes.

WHEREAS, the Developer desires to develop the Property with a mixed-use multifamily residential, general office, light industrial, R&D and neighborhood retail (the "**Project**");

WHEREAS, the Project is located along State Highway 130. The City has identified the SH 130 Corridor (herein so called) as one of its "**Desired Development Zones**". In an effort to ensure that development along the SH 130 Corridor would meet the City's overall vision and plan, the City supported House Bill No. 3719 and Senate Bill No. 1688 (the "**SH 130 Legislation**") during the 80th Texas Legislative Session. The City's main goals with the SH 130 Legislation were as follows (collectively, the "**Goals**"); (i) to obtain land use and planning controls over the SH 130 Corridor, the majority of which is within the City's ETJ; (ii) to provide for dense growth and mixed use development along the SH 130 Corridor; (iii) to create a funding mechanism that would encourage the extension of public infrastructure along the SH 130 Corridor; and (iv) to maintain control over the governing body of any "infrastructure districts" created pursuant to the SH 130 Legislation;

WHEREAS, the SH 130 Legislation was not enacted. In order to accomplish the Goals contemplated by the SH 130 Legislation, Developer, CLUB DEAL 120 WHISPER VALLEY, LIMITED PARTNERSHIP ("**WV Developer**") and the City executed that certain WHISPER VALLEY AND INDIAN HILLS ANNEXATION AND DEVELOPMENT AGREEMENT ("**Development Agreement**") dated effective as of June 18, 2009, wherein the parties established goals and a process for limited purpose annexation of the Property to give the City land use controls and zoning using the City's PID Policy adopted on December 18, 2008, ("**PID Policy**") to allow City financing of the infrastructure via public improvement districts to finance the Developer's infrastructure for development of the Property;

WHEREAS, pursuant to the Development Agreement, the City has (i) adopted Ordinance No. 20100826-_____ establishing zoning for the Project, (ii) limited purposed annexed the Property and (iii) authorized the formation of the Indian Hills Public Improvement District (the "**District**") in accordance with the PID Act (as hereinafter defined);

WHEREAS, the City acknowledges that Developer's cooperation in this endeavor enables the City to establish, define, and protect the City's jurisdiction and regulatory authority over the Property, and that Developer would not have consented to the limited purpose annexation and zoning of the Property but for the intention to enter into this Agreement;

WHEREAS, the Developer proposes to construct certain improvements over time to serve property located in the District (or portions thereof) and transfer some of those improvements to the City or County in accordance with the terms and provisions of this Agreement;

WHEREAS, contemporaneously herewith the City intends to (upon satisfaction of the conditions and in accordance with the terms set forth in this Agreement), at the request, and with the consent, approval and agreement of the Developer, adopt the Assessment Ordinance (as defined herein) and adopt the Assessment Plan (as defined herein) that provides for the construction and financing of certain improvements within the District pursuant to the Assessment Plan, payable in whole or in part, by and from assessments levied against property within the District, as more specifically provided for in the Assessment Plan;

WHEREAS, the City intends to (upon satisfaction of the conditions and in accordance with the terms set forth in this Agreement) levy assessments on all or a portion of the property located within the District and issue, in one or more series, bonds for payment of costs associated with construction and/or acquisition of the Public Improvements (as defined herein) included in the Assessment Plan, as such plan may be amended from time to time;

WHEREAS, the City has determined that it is in its best interests to contract with the Developer for the construction of the Public Improvements, which will result in the efficient and effective implementation of the Assessment Plan;

WHEREAS, from the proceeds of the bonds the City issues in connection with the Public Improvements in the District, the City will, upon satisfaction of the conditions and in accordance with the terms set forth in this Agreement, construct or cause to be constructed or acquire those certain Public Improvements provided for in this Agreement and the Developer will be paid or reimbursed for all or a portion of the costs of acquisition, construction, and improvement of the Public Improvements at the time the Public Improvements are complete and operative or certain Segments are complete and operative and have been accepted by the City;

NOW, THEREFORE, for and in consideration of the mutual agreements, covenants, and conditions contained herein, and other good and valuable consideration, the parties hereto agree as follows:

ARTICLE I. SCOPE OF AGREEMENT

Section 1.01. Outline of Agreement

This Agreement establishes provisions for the apportionment, levying, and collection of Assessments on the Property (Article II), the Construction of Public Improvements to be Acquired by the City (Article III), advancement of construction funds for the Master PID Bonds, City's acquisition and maintenance of Public Improvements within the District (Article IV), and the issuance of bonds for the financing of CRA and Non-CRA Improvements (Article V). Definitions used herein are set forth in Exhibit "A" attached hereto and made a part hereof and in the Assessment Plan.

Section 1.02. Agreement Does Not Supersede CRA

This Agreement sets forth the terms and conditions concerning the construction, financing, and City's acquisition (where applicable) of Non-CRA Improvements. In addition, this Agreement provides the terms and conditions concerning the construction, financing, and City's acquisition (where applicable) of CRA Improvements, but only to the extent indicated in this Agreement and if such terms are not otherwise addressed in the CRA. The Parties do not intend for this Agreement to supersede, replace, or conflict with the CRA. The terms and provisions of the CRA shall control the terms and conditions for constructing any infrastructure to be constructed pursuant to the CRA.

Section 1.03 Annexation

Timing of the City's full purpose annexation of the Project shall be in accordance with Article V of the Development Agreement.

ARTICLE II. APPORTIONMENT, LEVY AND COLLECTION OF ASSESSMENTS

Section 2.01. Preliminary Matters

(a) On August 26, 2010, the City authorized the formation of the District in Resolution No. 20100826-023. The District includes all of the Property.

(b) The Developer shall develop the Property in phases. It is anticipated that some Public Improvements will benefit only a portion of the Property while other Public Improvements will benefit the entire District. As a result, Special Assessments will be levied on all or portions of the Property from time to time. It is currently contemplated that there will be three different types of bonds issued:

(i) Senior Master PID Bonds will be issued at the beginning of the Project in order to fund a portion of the construction of the Master PID Bond Authorized Improvements and other improvements specified in the Assessment Plan, which will benefit all of the Property and result in Special Assessments levied against the entire Property.

(ii) Subordinate Master PID Bonds will also be issued at the beginning of the Project contemporaneously with the Senior Master PID Bonds and will fund a portion of the costs to construct the CRA Improvements as specified in the Assessment Plan, which therefore will result in additional Special Assessments being levied on the entire Property. In addition to the Special Assessments, the Subordinate Master PID Bonds will also be secured by the Developer's pledge of (and are expected to be fully repaid by) a portion of the reimbursements due to the Developer under the CRA pursuant to the CRA Pledge Agreement. There will only be one combined Special Assessment for the Master PID Bonds and the method by which the Special Assessment will be applied to the obligations under the Master PID Bonds will be provided in the Initial Indentures and the Assessment Plan. The use of the Special Assessments to pay the Subordinate Master PID Bonds will be subject and subordinate to the use of the Special Assessments to pay the Senior Master PID Bonds.

(iii) Phased PID Bonds will be issued periodically in the future as individual Improvement Areas of the Project are developed and will fund micro infrastructure improvements within each given Improvement Area. In connection with the Phased PID Bonds, Special Assessments will be levied only on Property located in the Improvement Area in question.

(c) The initial Assessment Plan for the Property is attached hereto as Exhibit "C." The Developer acknowledges and agrees that the Assessment Plan must meet the requirements of Texas Local Government Code §§ 372.013 and 372.014 and be presented to the City Council for review and approval prior to Bonds being issued. Thereafter, the Assessment Plan will be updated and amended by the Administrator at least once per year, and submitted for the City Council's review and approval. Notwithstanding the above, it is hereby understood and acknowledged by the Parties that the Special Assessments associated with the Master PID Bonds are the only Special Assessments that can be addressed with reasonable certainty in the Assessment Plan. As a result, the Assessment Plan will need to be amended over time as subsequent Improvement Areas are developed (and corresponding Phased PID Bonds are issued) in accordance with the terms set forth in this Agreement. Nevertheless, the basic terms and methodology described in the Assessment Plan will generally apply to the Phased PID Bonds.

(d) Special Assessments on any portion of the Property will bear a direct proportional relationship to the special benefit of the Public Improvements to that Improvement Area.

(e) Special Assessment on any given portion of the Property may be adjusted in connection with subsequent Bond issues as long as the Maximum Annual Assessment rate is not exceeded, and so long as the Special Assessments are determined in accordance with the Assessment Plan.

(f) Prior to the levy of Special Assessments, the Developer shall provide a Feasibility and Market Study Analysis to the City for the City's review and approval, as described in Section 5.01 hereof.

(g) The Property may be subject to an Owner's Association assessment or a PID Maintenance and Operation assessment for the provision of public services, including but not limited to maintaining public areas (e.g. parks and open space) within the District.

(h) Promptly following submission to the City of the initial Assessment Plan (or any subsequent amendment to the Assessment Plan) acceptable to Developer and the City in form and substance, the City Council shall consider an Assessment Ordinance relating to the applicable plan or amendment. If the ordinance is adopted, the City shall use reasonable, good faith efforts to expeditiously initiate and approve all necessary documents and orders required to effectuate the Assessment Plan and Assessment Ordinance.

Section 2.02. Apportionment and Levy of Assessments.

The City intends to levy Special Assessments on property in the District in accordance herewith and with the Assessment Plan (as such plan is amended from time to time) at such time as Bonds are issued in accordance with Article IV hereof. The City's apportionment and levy of assessments shall be made in accordance with the PID Act.

Section 2.03. Collection of Assessments.

The City covenants and agrees that it shall, as authorized by the PID Act and other applicable law, continuously collect or cause to be collected Special Assessments levied pursuant to the Assessment Plan during the term of this Agreement in the manner and to the maximum extent permitted by applicable law. The City covenants and agrees that to the extent permitted by applicable law, it will not permit a reduction, abatement, or exemption in the Special Assessments due on any portion of the Property until the Bonds related to that particular portion of the Property are no longer outstanding, whether as a result of payment in full, defeasance or otherwise. The City shall use good and sound practices to collect the Special Assessments consistent with the City's policies and standard practices applicable to the collection of City taxes and assessments.

Section 2.04. Approval and Recordation of Special Assessments through Landowner Agreement.

Prior to or concurrently with the levy of the Special Assessments for any portion of the Property, the Developer shall execute (and shall cause any other owner of any of the Property that will be subject to the future special assessments to execute) a Landowner Agreement (herein so called) in which the Landowner shall approve and accept the apportionment of assessments in the Assessment Plan and the levy of the Special Assessments by the City. The Landowner Agreement further shall (a) evidence the Developer's intent that the Special Assessments be covenants running with the land that (i) will bind any and all current and successor owners of the Property to the Special Assessments, including applicable interest thereon, as and when due and payable thereunder and (ii) provide that subsequent purchasers of such land take their title subject to and expressly assume the terms and provisions of the Special Assessments; and (b) provide that the liens created by the levy of the Special Assessments are a first and prior lien on the Property, subject only to liens for ad valorem taxes of the State or any municipality (if any), county, school district, special district or other political subdivision.

ARTICLE III. CONSTRUCTION AND ACQUISITION

Section 3.01. Acquisition of Public Improvements

Some of the Public Improvements are intended to be acquired by the City and/or County, and some will be retained by the Developer. The Public Improvements to be acquired by the City shall be determined through mutual agreement of the Parties before construction of such Public Improvements is initiated. Construction of the Master PID Bond Authorized Improvements has been agreed to by the Parties and is described in the Assessment Plan. Each acquisition of Public Improvements not paid for simultaneously with conveyance of said Public Improvements (e.g., a portion of the price is being paid over time) shall be evidenced by an Acquisition Agreement. For any such improvements that will ultimately be accepted and maintained by the County, the City and Developer shall enter into an Acquisition Agreement and then the City shall assign its rights to receive the Public Improvement to the County (provided the County agrees to maintain such Public Improvement), but the Developer shall retain the right to receive future Bond proceeds as payment for said Public Improvement.

Section 3.02. Designation of Construction Manager, Construction Engineers

(a) The City hereby designates the Developer as the Construction Manager with full responsibility for the design, the designation of easement locations, facilities site designations and acquisitions, supervision of construction, and the bidding and letting of construction contracts for the construction of the Public Improvements in accordance with the provisions of this Article III.

(b) Inspection of all Public Improvements construction shall be by City inspectors. If the Bonds have not been issued, the Developer shall pay the inspection fee which shall be included in the Actual Cost and may later be reimbursed to Developer when Bonds are issued. If the Bonds have been issued, the Developer may collect the inspection fee out of Bond proceeds.

(c) The Developer shall be entitled to a separate construction management fee of 4% of the costs incurred by or on behalf of Developer for the construction of each Segment.

(d) The City shall cooperate with the Developer in connection with its services as Construction Manager.

(e) The Developer shall designate the consulting engineers for the Public Improvements for the compensation specified by the Developer.

Section 3.03. Designation of Construction Manager

The Developer may change its designated "Construction Manager" for the Project or any phase thereof at any time (except during the first six months of this Agreement during which the Developer may only change its designated "Construction Manager" for cause) upon written notification to the City and subject to the approval of the Director of Public Works, whose approval shall not be unreasonably withheld. Only the designated Construction Manager may

receive a construction management fee, and only for the period of time during that designation; further, the total fee shall not exceed the amount provided for in the definition of "Actual Costs" in this Agreement. The Parties hereby acknowledge that the Construction Manager may be an individual, company, or partnership, or other entity, as reasonably determined by Developer.

Section 3.04. Performance Bonds

If there are funds in a segregated account within the Project Fund of an Indenture sufficient both to pay for completion of a Public Improvement and to meet all other obligations of the Public Improvement, it is intended that Developer not be required to post fiscal security for the applicable Public Improvement. For example, if a separate account is formed within the Project Fund under the Initial Indenture for the Subordinate Master PID Bonds for Waterline 1 to be built by the Developer pursuant to the Water Cost Reimbursement Agreement, then no fiscal security will be required for Waterline 1, so long as there are sufficient funds in the account to construct Waterline 1. The City acknowledges that it will accept fiscal security for the Public Improvements in the form of an irrevocable letter of credit, surety bond, cash deposit, or other security acceptable to the City. If no such account exists or such account is not appropriately funded, then the Developer shall be required to post fiscal security for CRA Improvements in accordance with the CRA and for Non-CRA Improvements in accordance with Section 3.07 (a) below.

Section 3.05. Maintenance of Project, Warranties

Unless otherwise provided for, the Developer shall maintain each Non-CRA Improvement (or Segment thereof) in good and safe condition until such Non-CRA Improvement (or Segment thereof) is accepted by the City. The City's acceptance of Non-CRA Improvements shall be in accordance with the City standard rules and procedures for the type of improvements being constructed. Prior to such acceptance, the Developer shall be responsible for performing any required maintenance on such Non-CRA Improvement. Notwithstanding the above, the Parties acknowledge and agree that the CRA Improvements shall be maintained in accordance with the CRA. On or before the acceptance by the City of a Non-CRA Improvement (or Segment thereof), the Developer shall assign to the City all of the Developer's rights in any warranties, guarantees, maintenance obligations or other evidences of contingent obligations of third persons with respect to such Non-CRA Improvement (or Segment thereof).

Section 3.06. Sales and Use Tax Exemptions.

(a) The parties agree that, as municipally and publicly owned and acquired properties, all costs of materials, other properties and services used in constructing the Public Improvements to be acquired by the City are exempt under the Tax Code from sales and use taxes levied by the State of Texas, or by any city, county, special district, or other political subdivision of the State, as set forth in 34 Tex. Admin. Code, sec. 3.291.

(b) Subject to the terms of the Acquisition Agreement(s), but in furtherance of and to assure such exemptions, title to all property, materials, and services associated with and used in connection with or related to the construction of the Public Improvements shall vest in the City

immediately upon delivery at the site of such construction, and before they are incorporated into the realty or used by the contractor or any other person.

(c) The City Manager (or such other duly authorized representative of the City) is directed to provide such certifications to the Developer and/or to suppliers and contractors as may be required to assure the exemptions claimed herein.

(d) The City Manager (or such other duly authorized representative of the City) and the Developer shall cooperate in structuring the construction contracts for the Public Improvements to comply with requirements (including those set forth in 34. Tex. Admin. Code, sec. 3.291) for exemption from sales and use taxes.

Section 3.07. Regulatory Requirements.

(a) The Non-CRA Improvements shall be designed, constructed, installed, and operated, using the City's construction, bidding, and contract documents, in accordance with and subject to compliance with commercially accepted construction practices, applicable City policies, rules and ordinances, and any other Regulatory Requirements, including valid requirements that are uniformly applicable within the City and promulgated by the City, as such requirements may have been modified, varied or waived in the Development Agreement. For those Non-CRA Improvements for which the City does not have bid specifications, Developer and the City shall work together in good faith to develop bid specifications.

(b) Notwithstanding the foregoing, Decker Lake Road shall be designed, constructed, installed and operated in accordance with the Decker Lake Road Agreement. In the event of omissions or errors in the Decker Lake Road Agreement, the most current City standards and requirements will be applied.

(c) The CRA Improvements shall be designed, constructed, installed and operated in accordance with the CRA.

Section 3.08. Additional Requirements for CRA Improvements

The following additional requirements shall be applicable to CRA Improvements funded by the Subordinate Master PID Bonds:

(a) Prior to commencing construction of any such CRA Improvements, the Project Engineer shall review all plans and specifications, construction contract and related materials for the applicable CRA Improvement, and shall certify to the Developer, City, Underwriter, Financial Advisor and Trustee that the amount of funding under the Master PID Bonds (as specified in the Assessment Plan and Indenture) is sufficient to fund the full cost of design and construction of the applicable CRA Improvements.

(b) The Construction Manager will maintain an ongoing monthly updated accounting of funds dispersed, work progress and remaining funding needed to complete each applicable CRA Improvement. Such accounting to include a reconciliation of any unadvanced amounts out of the segregated accounts in the Project Fund under the Initial Indentures as compared to the

remaining costs to complete each applicable CRA Improvement. The Construction Manager will provide such monthly reports to the Developer, the City's Director, the Underwriter, the Financial Advisor and the Trustee. Furthermore, the Construction Manager will maintain a website (that may be accessed by the City, the Trustee, the Financial Advisor and the Underwriter) which will include updates of such monthly accounting.

(c) All change orders or costs increases for applicable CRA Improvements must be approved by the Developer, Construction Manager and the Director, to the extent any such change order is in excess of \$100,000.00. The Construction Manager shall provide copies of all approved change orders to the Financial Advisor, Underwriter and Trustee within ten (10) days after approval. Notwithstanding the foregoing, it is hereby acknowledged that the City is not required to increase the amount of reimbursement due under any CRA to the extent such reimbursement would cause the amount of reimbursement to exceed the maximum reimbursement provided in the CRA. Any increase of the amount of reimbursement above the maximum reimbursement provided in the applicable CRA must be approved by the City Council.

(d) All construction contracts for applicable CRA Improvements must include completion bonds for the amount of all work funded by the proceeds of the Subordinate Master PID Bonds, and each such contract shall contain provisions for liquidated damages in the event the contractor does not meet completion schedules for the CRA Improvements as required to allow the Construction Manager to complete the applicable CRA Improvement and to enable the City to fund the reimbursement payments under the CRA within the timeframe necessary to timely pay off the Subordinate Master PID Bonds.

(e) Each construction contract for applicable CRA Improvements shall include a provision requiring 10% retainage to be dispersed only upon completion and acceptance by the City of applicable CRA Improvement, subject however to early disbursement for subcontractors whose work has been completed.

(f) Upon completion of each applicable CRA Improvement and acceptance thereof by the City, which acceptance shall not be unreasonably withheld, conditioned, or delayed, the City will notify the Developer, Financial Advisor, Underwriter and Trustee that the conditions for funding the reimbursement payment due under the CRA for such CRA Improvement have been met and will timely pay the respective dollar amount of the reimbursement.

ARTICLE IV. PAYMENT FOR PUBLIC IMPROVEMENTS

Section 4.01. Payments for Master PID Bonds

(a) With respect to those Public Improvements funded by the Master PID Bonds, Developer shall deliver and the City shall accept the given Public Improvements. The net Bond Proceeds from the issuance of the Master PID Bonds will be held by the Trustee in various segregated accounts under the Project Funds for each of the Initial Indentures. Those sums held in the various segregated accounts will be advanced to the Developer by the Trustee to fund the costs of design and construction, including project management, City inspection and

administrative costs, and other soft costs (as more specified in the Assessment Plan) upon receipt of a completed Certification for Payment. Payments will be made to Developer periodically as design and construction progresses. The procedures for such progress payments are contained in this Section 4.01 and the Initial Indentures. Such payments shall be made by Trustee on a monthly basis and within five (5) business days of the Trustee's receipt of the completed Certification for Payment from the Director. The Director or its designee shall deliver his concurrence to pay pursuant to a completed Certification for Payment within fifteen (15) calendar days after its receipt of the required submittal items pursuant to either subpart (b) or (c) below, as applicable. Notwithstanding anything to the contrary contained herein, the Director shall not be obligated to authorize payments of funds for any given Public Improvement if the monthly reconciliation provided by the Construction Manager pursuant to Section 3.08(b) above for that given Public Improvement shows there are not enough funds in the segregated account (including the CRA Holdback under the Projects Fund in the Master PID Bonds) to fund the remaining design and construction costs of that Public Improvement after taking into consideration any contingencies, until funds sufficient to cover the costs overruns are provided to secure such overruns by the Developer or otherwise.

(b) During the design phase for any Public Improvement to be funded by the Master PID Bonds, payments for design costs shall be made by the Trustee on a monthly basis; provided, however, in no event shall the Developer be entitled to aggregate draws equal to more than 30%, 60%, 90% or 100% of the total design costs until such time as the City has approved the design plans for the applicable level of completion (i.e., either 30%, 60%, 90% or 100%). For example, Developer shall be entitled to receive monthly draws based on the percentage of design work completed up to the date of the draw until 30% of the design is complete, but shall not be entitled to any draws past 30% until the City approves the 30% design drawings after which the Developer will be entitled to additional draws up to the 60% design complete date and so on. The Director shall not be required to authorize any design draws until such time as the applicable contract for the design services (including the costs thereof) have been approved by the City, such approval not to be unreasonably withheld, conditioned or delayed. The submittal items necessary for a design payment are as follows:

(i) A Certification for Payment executed by the Construction Manager specifying the percentage of design that has been completed on the applicable Public Improvement;

(ii) A Bills Paid Affidavit from the contractor;

(iii) Copies of all supporting invoices with respect to such design payment.

(iv) Evidence of the City's acceptance of the design phase documents.

(c) During the construction phase for any Public Improvements to be funded by the Master PID Bonds, payments shall be made by the Trustee based on the Actual Cost of the construction completed and the receipt of a completed Certification for Payment. The City is not obligated to authorize any construction payments until such time the City has approved the plans, specifications and the construction contract (including a Construction timeline) for the applicable

Public Improvement. The items required for a construction payment are as follows:

(i) A Certification for Payment executed by the Project Engineer and Construction Manager specifying the amount of work that has been performed and the cost thereof;

(ii) A Bills Paid Affidavit from the contractor;

(iii) Waivers of liens for work on the applicable Public Improvements through the previous Certification for Payment and receipts for payment from the contractor and, if requested by the City, any subcontractors for the current Certification for Payment.

(d) In addition to the submitted items required in 4.01(c) above, in order to obtain the final payment for a Public Improvement funded by the Master PID Bonds, the following are required:

(i) With respect to any CRA Improvement, all requirements for acceptance of such improvement by the City as provided in the applicable CRA shall have been complied with;

(ii) The Developer shall have provided to the City an assignment of the warranties and guaranties, if applicable, for such CRA Improvement;

(iii) After the final Certification for Payment is submitted to the City, the Project Engineer shall conduct a review for the City to confirm that such Public Improvement was constructed in accordance with the plans therefor and the Project Engineer will verify and approve the Actual Cost of such Public Improvement specified in such Certification for Payment. The City agrees to instruct the Project Engineer to conduct each such review in an expeditious manner not to exceed 15 calendar days after the Certification for Payment is submitted to the City and the Developer agrees to cooperate with the Project Engineer in conducting each such review and to provide the Project Engineer with such additional information and documentation as is reasonably necessary for the Project Engineer to conclude each such review. Upon confirmation by the Project Engineer to the City that such Public Improvement has been constructed in accordance with the plans therefor, and verification and approval of the Actual Cost of such Public Improvement, the City shall within fifteen (15) calendar days thereafter accept such Public Improvement and the Director shall sign the Certification for Payment and forward the same to the Trustee. The time period for the Director to sign the Certificate for Payment and forward the same to the Trustee in this Section 4.01(d)(iii) will control over the time period specified in Section 4.01(a) hereof.

(e) The terms, conditions and procedures set forth in Section 4.01(a) – (c) shall also apply to Decker Lake Road, except as follows:

(i) The City will not be purchasing Decker Lake Road. The City will assign its right to purchase Decker Lake Road to the County.

- (ii) The County will be approving the plans, specifications and the construction contract for Decker Lake Road, not the City.
- (iii) No material changes to Decker Lake Road Agreement will be made without the City's consent.

In addition to the submitted items required in 4.01(c) above, in order to obtain the final payment for Decker Lake Road a written acknowledgement from the County that all requirements for acceptance of Decker Lake Road as provided in the Decker Lake Road Agreement have been complied with shall be provided to the City. Upon receipt of such written acknowledgement from the County, the City shall, within fifteen (15) days thereafter, and the Director of the City shall sign the Certification for Payment and forward the same to the Trustee.

Section 4.02. Payments for Phased PID Bonds

(a) The City shall not be obligated to provide funds for any Non-CRA Improvement except from the proceeds of the Bonds. The City makes no warranty, either express or implied, that the proceeds of the Bonds available for the payment of the Actual Cost of the Non-CRA Improvements to be constructed for or acquired by the City or County will be sufficient for the construction or acquisition of all of those particular Non-CRA Improvements. The Parties anticipate that the cost to construct the Non-CRA Improvements will be greater than the proceeds of the Bonds available for Non-CRA Improvements.

(b) Subject to the terms and conditions of any applicable Acquisition Agreement, the Developer shall convey, and the City shall acquire the given Public Improvement for the Actual Cost, when such Public Improvement is completed and has been accepted by the City; provided, however, if the City assigns its rights to receive any such Public Improvement to the County pursuant to Section 3.01 above, then the County shall actually obtain title to such Public Improvement in accordance with the applicable Acquisition Agreement.

(c) To receive the Actual Cost for a Public Improvement under the Phased PID Bonds, the Developer shall deliver to the City and the Project Engineer (x) documentation evidencing the Actual Cost, (y) an assignment of the warranties and guaranties, if applicable, for such Non-CRA Improvement, in form reasonably acceptable to the City. Nothing herein or in subparagraph and (d) below shall prohibit Developer from being reimbursed for design costs associated with a Non-CRA Improvement prior to the completion of construction of said Non-CRA Improvement.

(d) Upon receipt of a Payment Request (and accompanying documentation) for a Segment, the City shall instruct the Project Engineer to conduct a review in order to confirm that such Segment was constructed in accordance with the Plans therefore and to verify and approve the Actual Cost of such Segment specified in such Payment Request. The City agrees to instruct the Project Engineer to conduct each such review in an expeditious manner not to exceed 30 calendar days and the Developer agrees to cooperate with the Project Engineer in conducting each such review and to provide the Project Engineer with such additional information and documentation as is reasonably necessary for the Project Engineer to conclude each such review. Upon confirmation that such Segment has been constructed in accordance with the Plans

therefore, and verification and approval of the Actual Cost of such Segment, the City shall, within thirty (30) days thereafter accept such Segment and the Project Engineer and Director of the City shall sign the Payment Request and forward the same to the Finance Director of the City and payments will be made to Developer, or other person as applicable, within thirty (30) days after receipt by the Finance Director.

Section 4.03. Payments to Co-Developer

The Developer may enter into agreements with one or more real estate developers or builders (commercial or residential) to sell or develop a portion of the Property and/or to construct certain Public Improvements (each such developer, a "Co-Developer"). The Developer may submit Actual Costs paid for by a Co-Developer and obtain reimbursement of such Actual Costs (or in the case of certain CRA Improvements, the costs eligible for reimbursement) on behalf of and to be paid to such Co-Developer.

Section 4.04. Acceptance and Maintenance of Improvements.

Upon written acceptance of a Non-CRA Improvement, and subject to any applicable maintenance-bond period, the City shall be responsible for all operation and maintenance of such Non-CRA Improvement, including all costs thereof and relating thereto. Notwithstanding the foregoing, if the City assigns its right to receive a Non-CRA Improvement to the County as provided in Section 3.01 above, then the County shall be responsible for operation and maintenance as provided in the applicable Acquisition Agreement. Operation and maintenance of CRA Improvements shall be in accordance with the CRA.

Section 4.05 PID Bond Reimbursements to City.

The Parties hereby acknowledge and agree that the Developer will reimburse the City for funds advanced by the City under the CRA according to the schedule and amounts and otherwise in accordance with the terms more particularly described in the CRA.

ARTICLE V. BONDS

Section 5.01. Issuance of Bonds.

(a) Subject to the terms and conditions set forth in this Section V, the City intends to pay for the Public Improvements, by issuing Bonds in one or more series. The City will use reasonable and good faith efforts to sell Bonds after receiving a Bond Issuance Request from the Developer, provided that the Developer can reasonably demonstrate to the City and its financial advisors via a Feasibility and Market Study Analysis (or such other similar documentation) that there is sufficient security for the Bonds, based upon the bond market existing at the time of such proposed sale. Notwithstanding the foregoing, the City intends to issue the Master PID Bonds and in connection with such Bonds no Bond Issuance Request is required. The Public Improvements to be constructed and funded in connection with the Master PID Bonds (as well as the projected costs and timing of their construction) are detailed on the chart attached hereto as

Exhibit "D". The chart also shows projected dates for reimbursement by the City pursuant to the CRA. The Phased PID Bonds will be issued in the future subject to the terms hereof and the Assessment Plan (as the same is amended and updated).

(b) In the event there are cost overruns and the proceeds of the Subordinate Master PID Bonds and the funds in the CRA Holdback (defined below) are not sufficient to fund the Public Improvements specified in the Assessment Plan, the Developer waives the right to protest the City's reasonable decision to issue an additional amount of debt sufficient to cover the overruns (not to exceed \$750,000) of Bonds commencing in year 2012 with the first assessments to occur in 2014 to provide additional contingency funding. While the City cannot pre-approve the issuance of these Bonds and hence bind a future City Council, the City hereby notes its willingness to consider the issuance of additional Bonds, as needed in a manner consistent with City policy, to make certain that the CRA Improvements funded by the Subordinate Master PID Bonds can be managed and/or completed should the other contingencies be exhausted.

(c) The aggregate principal amount of Bonds required to be issued hereunder shall not exceed an amount sufficient to fund: (i) the Actual Costs of the Public Improvements (ii) required reserves and capitalized interest during the period of construction and not more than 12 months after the completion of construction and in no event for a period greater than 3 years from the date of the initial delivery of the Bonds and (iii) any costs of issuance. Provided, however that to the extent the law(s) which limit the period of capitalized interest to 12 months after completion of construction change, the foregoing limitation may be adjusted to reflect the law(s) in effect at the time of future Bond issuances.

(d) To the extent permitted by law, the final maturity for each series of Bonds shall occur no later than 30 years from the issuance date of said Bonds.

(e) Bonds are not required to be issued under this Article V unless (1) the statutory requirements set forth in Chapter 372 of the Texas Local Government Code have been satisfied; (ii) the City shall receive at the time of issuance an opinion of counsel selected by the City stating in effect that the Bonds are legal and valid under Texas law and that all preconditions to their issuance under State law have been satisfied; and (iii) the approving opinion of the Attorney General of the State of Texas as required by the PID Act.

(f) If proceeds from Senior Master PID Bonds are still available after all the Master PID Bond Authorized Improvements are accepted by the City or County, as applicable, the proceeds may be utilized to finance other Public Improvements.

Section 5.02. Public Improvement Fund and CRA Holdback

(a) The City hereby covenants and agrees that if Bonds are issued, the applicable Indenture will establish a Project Fund as a separate fund to be held by the Trustee under the Indenture. The City agrees that the portion of the proceeds of the Bonds not used to pay the costs of issuance associated with the Bonds (but used to provide capitalized interest or to fund a reserve fund or to fund other lawful purposes related to the Project as detailed in the applicable Indenture shall be deposited upon issuance into the Project Fund as specified in the Indenture,

which amounts shall be used to pay for Project Costs. The Indenture may establish separate accounts within the Project Fund.

(b) The Developer hereby covenants and agrees to use commercially reasonable efforts to first expend proceeds from the Senior Master PID Bonds to construct Waterline 1 before expending proceeds from the Subordinate Master PID Bonds to construct Waterline 1.

(c) An additional contingency amount (maintained from the proceeds of the Senior Master PID Bonds) will be held back based on the aggregate estimated cost of unfunded work on the Public Improvements that also qualify as CRA Improvements to be completed with funds from the Subordinate Master PID Bonds (the "CRA Holdback"). This CRA Holdback will be held in a separate account by the Trustee. This amount will initially be \$272,049.00 which is 3.36% (the "Requisite Percentage") of the estimated aggregate cost of the CRA Improvements to be completed with funds from the Subordinate Master PID Bonds. The amount held in the CRA Holdback will decrease on a prorata basis as Public Improvements that also qualify as CRA Improvements funded by the Subordinate Master PID Bonds are completed and funded (i.e., only the Requisite Percentage of the estimated aggregate cost necessary to complete the CRA Improvements to be funded by Subordinate Master PID Bonds shall remain in the CRA Holdback). Amounts no longer required to maintain the Requisite Percentage in the CRA Holdback can then be used to complete Master PID financed Public Improvements that are Non-CRA Improvements. Once the CRA Improvements to be funded by Subordinate Master PID Bonds are completed, any remaining funds in the CRA Holdback will be disbursed to complete Master PID financed Non-CRA Improvements and then to reimburse the Developer for qualifying Project Costs advanced by the Developer to complete Master PID financed Improvements.

Section 5.03. Denomination, Maturity, Interest, and Security for Bonds

(a) Each series of Bonds shall be finally authorized by the City Council and shall be issued in the denominations, shall mature and be prepaid, shall bear interest, and shall be secured by and payable solely from the Bond Security, all to be as described and provided in the Bond Ordinance or Indenture, as applicable.

(b) The final and adopted versions of the Bond Ordinance and the Indenture (and all documents incorporated or approved therein) shall contain provisions relating to the withdrawal, application, and uses of the proceeds of the Bonds when and as issued and delivered and otherwise contain such terms and provisions as are mutually approved by the City and the Developer.

Section 5.04. Sale of Bonds.

The Bonds shall be issued by the City and shall be marketed and sold through negotiated sale to an approved third party with the cooperation and assistance of the Developer in all respects with respect to the preparation of marketing documents, such as preliminary and final

official statements or in such other marketing and/or sales method mutually agreed upon by the City and the Developer.

ARTICLE VI. REPRESENTATIONS AND WARRANTIES

Section 6.01. Representations and Warranties of City

The City makes the following representation and warranty for the benefit of the Developer: (a) that the City is a municipal corporation and political subdivision of the State of Texas, duly incorporated, organized and existing under the Constitution and general laws of the State, and has full legal right, power and authority under the PID Act and other applicable law (i) to enter into, execute and deliver this Agreement, (ii) to adopt the Assessment Ordinance, and (iii) to carry out and consummate the transactions contemplated by this Agreement.

Section 6.02. Representation and Warranties of Developer

(b) The Developer represents and warrants that the Developer has the power and authority to enter into this Agreement, and has taken all action necessary to cause this Agreement to be executed and delivered, and this Agreement has been duly and validly executed and delivered on behalf of the Developer.

(c) The Developer represents and warrants that this Agreement is valid and enforceable obligation of the Developer and is enforceable against the Developer in accordance with its terms, subject to bankruptcy, insolvency, reorganization, or other similar laws affecting the enforcement of creditors' rights in general and by general equity principles.

(d) The Developer covenants that it will use its reasonable and diligent efforts to do all things which may be lawfully required of it in order to cause the Public Improvements to be completed in accordance with this Agreement.

(e) The Developer covenants that it will not commit, suffer, or permit any act to be done in, upon or to the Property or the Project in violation of the any law, ordinance, rule, regulation, or order of any governmental authority or any covenant, condition or restriction now or hereafter affecting the Property or the Project.

(f) The Developer represents and warrants that (i) it will not request payment from the City for the acquisition of any Public Improvements that are not part of the Project, and (ii) it will diligently follow all procedures set forth in this Agreement with respect to Payment Requests.

(g) Until the final Acceptance Date of all Segments, the Developer covenants to maintain proper books of record and account for the Project and all costs related thereto. The Developer covenants that such accounting books will be maintained in accordance with generally accepted accounting principles, and will be available for inspection by the City or its agent at any reasonable time during regular business hours upon at least 72 hours notice.

ARTICLE VII. DEFAULT AND REMEDIES

(a) A Party shall be deemed in default under this Agreement (which shall be deemed a breach hereunder) if such Party fails to materially perform, observe or comply with any of its covenants, agreements or obligations hereunder or breaches or violates any of its representations contained in this Agreement.

(b) Before any failure of any Party to perform its obligations under this Agreement shall be deemed to be a breach of this Agreement, the Party claiming such failure shall notify, in writing, the Party alleged to have failed to perform of the alleged failure and shall demand performance. No breach of this Agreement may be found to have occurred if performance has commenced to the reasonable satisfaction of the complaining Party within thirty (30) days of the receipt of such notice (or five (5) days in the case of a monetary default), subject, however, in the case of non-monetary default, to the terms and provisions of subparagraph (c). Upon a breach of this Agreement, the non-defaulting Party in any court of competent jurisdiction, by an action or proceeding at law or in equity, may secure the specific performance of the covenants and agreements herein contained (and/or an action for mandamus as and if appropriate). Except as otherwise set forth herein, no action taken by a Party pursuant to the provisions of this Article VII or pursuant to the provisions of any other Section of this Agreement shall be deemed to constitute an election of remedies and all remedies set forth in this Agreement shall be cumulative and non-exclusive of any other remedy either set forth herein or available to any Party at law or in equity. Each of the Parties shall have the affirmative obligation to mitigate its damages in the event of a default by the other Party. Notwithstanding any provision contained herein to the contrary, the Owner shall not be required to construct any portion of the Project (or take any other action related to or in furtherance of same) while the City is in default under this Agreement).

(c) Notwithstanding any provision in this Agreement to the contrary, if the performance of any covenant or obligation to be performed hereunder by any Party is delayed as a result of circumstances which are beyond the reasonable control of such Party (which circumstances may include, without limitation, pending litigation, acts of God, war, acts of civil disobedience, widespread pestilence, fire or other casualty, shortage of materials, adverse weather conditions such as, by way of illustration and not limitation, severe rain storms or tornadoes, labor action, strikes, changes in the law affecting the obligations of the Parties hereunder, or similar acts), the time for such performance shall be extended by the amount of time of the delay directly caused by and relating to such uncontrolled circumstances. The Party claiming delay of performance as a result of any of the foregoing "force majeure" events shall deliver written notice of the commencement of any such delay resulting from such force majeure event not later than seven (7) days after the claiming Party becomes aware of the same, and if the claiming Party fails to so notify the other Party of the occurrence of a "force majeure" event

causing such delay, the claiming Party shall not be entitled to avail itself of the provisions for the extension of performance contained in this Article.

(d) In addition to the foregoing remedies, the CRA contains provisions dealing with the City's options to complete CRA Improvements if the Developer fails to timely do so. Furthermore, the CRA contains additional consequences if the Developer is in default under the CRA. This subparagraph (d) controls over any contrary provisions contained in this Agreement.

Section 8.03. Assignment

(a) Subject to subparagraph (b) below, Developer may, in its sole and absolute discretion, assign this Agreement with respect to all or part of the Project from time to time to any party so long as the assignee has demonstrated to the City's satisfaction that the assignee has the financial, technical, and managerial capacity, the experience, and expertise to perform any duties or obligations so assigned and so long as the assigned rights and obligations are assumed without modifications to this Agreement. Developer shall provide the City thirty (30) days prior written notice of any such assignment. Upon such assignment or partial assignment, Developer shall be fully released from any and all obligations under this Agreement and shall have no further liability with respect to this Agreement for the part of the Project so assigned.

Upon such approval by the City, Developer shall no longer be liable for the assigned rights and obligations and the City shall look solely to the Designated Successors and Assigns for performance timing. Any sale of a portion of the Property or assignment of any right hereunder shall not be deemed a sale or assignment to a Designated Successor or Assign unless the conveyance or transfer instrument effecting such sale or assignment expressly states that the sale or assignment is to a Designated Successor or Assign.

Section 8.04. Term of Agreement

This Agreement shall terminate on the date on which the City and Developer discharge all of their obligations hereunder; provided, that this Agreement shall automatically terminate on January 1, 2015, if the first series of Bonds is not issued by such date. In the case of any termination of this Agreement and/or dissolution of the District, the obligation of any Party to pay any Project Costs expended prior to the termination of this Agreement and/or dissolution of the District and remaining unpaid shall survive such termination and/or dissolution.

Unless the context requires otherwise, and in addition to the terms defined above, each of the following terms and phrases used in this Agreement has the meaning ascribed thereto below:

"Actual Cost(s)" means, with respect to a Segment, the Developer's demonstrated, reasonable, allocable, and allowable costs of constructing such Segment, as specified in a Payment Request that has been reviewed and approved by the City and the Project Engineer and in an amount not to exceed the amount for each Segment as set forth in the Assessment Plan. Actual Costs shall not include general contractor's fees in an amount that exceeds a percentage equal to the percentage of work completed and accepted or construction management fees in an amount that exceeds an amount equal to the construction management fee amortized in equal monthly installments over the term of the appropriate construction management agreement. The amounts expended on legal costs, taxes, governmental fees, insurance premiums, permits, financing costs, and appraisals shall be excluded from the base upon which the general

contractor and construction management fees are calculated. Actual Costs also may be paid to the Developer only in the capacity of construction manager or only in the capacity of general contractor but not both.

"Acquisition Agreement" means (whether one or more) an agreement that provides for dedication of a Public Improvement (or Segment) to the City prior to the Developer being paid in full out of the applicable Phased PID Bond proceeds, whereby all or a portion of the Actual Costs will be paid to Developer from future Phased PID Bond issuances to reimburse the Developer for actual costs paid by the Developer that are eligible to be paid with Bond proceeds. "Assessment Plan" means the Indian Hills Public Improvement District Service and Assessment Plan (as such plan is amended from time to time), to be initially adopted by the City Council in the first Assessment Ordinance for the purpose of assessing allocated costs against property located within the boundaries of the District having terms, provisions and findings approved and agreed to by the Developer, as required by Article II of this Agreement. The Parties hereby acknowledge that the Assessment Plan will be amended from time to time as additional Bonds are sold and Improvement Areas are added to the Project.

"Attorney General" means the Texas Attorney General's Office.

"Bond Issuance Request" means written request made by Developer to the City Manager and City's Chief Financial Officer in good faith as evidenced by the Developer's

Section I

PLAN DESCRIPTION AND DEFINED TERMS

A. Introduction

On August 26, 2010, (the "Creation Date") the Austin City Council approved that certain "Petition for the Creation of a Public Improvement District to Finance Improvements to Indian Hills Subdivision" which authorized the creation of Indian Hills Public Improvement District (the "PID") to finance the Actual Costs for the benefit of certain property in the PID, all of which is located in limited purpose annexed jurisdiction of the City, but not within its corporate limits.

Upon application of the current property owners, the property within the PID was zoned by Ordinance No. 20100826-065 (the "Zoning Ordinance") adopted by the City of Austin on the Creation Date. The Zoning Ordinance designates the type of land uses that are permitted within the project and include development standards for each land use type.

Chapter 372 of the Texas Local Government Code, Improvement Districts in Municipalities and Counties (as amended, the "PID Act"), governs the creation of public improvement districts within the State of Texas. According to Section 372.013 of the PID Act, a service plan "must cover a period of five years and must also define the annual indebtedness and the projected costs for improvements. The plan shall be reviewed and updated annually for the purpose of determining the annual budget for improvements." The service plan is described in Section V of this Service and Assessment Plan.

Section 372.014 of the PID Act states that "an assessment plan must be included in the annual service plan." The assessment plan is described in Section IV.

Section 372.015 of the PID Act states that "the governing body of the municipality or county shall apportion the cost of an improvement to be assessed against property in an improvement district." The method of assessing the Actual Costs to the property in the PID is included in Section VI of this Service and Assessment Plan.

Section 372.016 of the PID Act states that "after the total cost of an improvement is determined, the governing body of the municipality or county shall prepare a proposed assessment roll. The roll must state the assessment of each parcel of land in the district, as determined by the method chosen by the municipality or county under this subchapter." The Assessment Roll for the PID is attached hereto as Appendix A and addressed in Section VII of this Service and Assessment Plan. The Assessments as shown on the Assessment Roll are based on the method of assessment described in Sections IV and VI of this Service and Assessment Plan.

Contemporaneously herewith, the City and Developer have entered into that certain Indian Hills Public Improvement District Financing Agreement (the "PID Finance Agreement"). The PID Finance Agreement contains a more detailed description of many of the concepts addressed in this Service and Assessment Plan, therefore, the two documents should be read as a

whole in order to have a more complete understanding of the terms addressed in each of the agreements.

After analyzing the public improvement projects authorized by the PID Act, the City has determined that the Authorized Improvements should be undertaken by the City. A list of potential Authorized Improvements is included on Appendix B attached hereto.

B. Master PID Bond Authorized Improvements Overview

The Senior Master PID Bonds and Subordinate Master PID Bonds only fund Authorized Improvements that benefit the entire PID. The Senior Master PID Bonds will be secured by Assessments and the Subordinate Master PID Bonds will be secured by funds received pursuant to the CRAs and Assessments, subject to the use of the Assessments to pay the Senior Master PID Bonds. The Master PID Authorized Improvements are described below and the costs are shown in Table III-A. The estimated Actual Cost to construct the Master PID Bond Authorized Improvements is \$16,290,772. The Actual Costs shown in Table III-A are estimates and may be revised in Annual Service Plan Updates.

Decker Lake Road

This project is a 0.54 mile Major Arterial Roadway from FM 973 on the west to SH 130 frontage road on the east. The roadway section will consist of two (2) paved sections 32-feet in width to accommodate two (2) vehicle lanes and one (1) bicycle lane in each direction divided by a large landscape median. The minimum ROW for this section is 114-feet. Intersection Improvements will be funded under an agreement with TxDOT to construct left and right turn lanes on FM 973. The entire roadway section will be built in one phase. The project will provide water quality and detention facilities adjacent to the roadway to serve this improvement.

Water Line 1

This project consists of constructing approximately 19,684 linear feet of 48" diameter water transmission main from the City of Austin's Central Pressure zone. The project will be constructed within the existing right of way (ROW) of Decker Lake Road. The line will be designed and constructed in accordance with City of Austin standards and specifications. The line will have all the necessary appurtenances to be fully operational transmission main. The line will provide service to Indian Hills and will also serve the Whisper Valley development as well as future projects outside the PID. Only the portion of this line that serves the PID will be funded with proceeds of the Bonds.

(a) Water Line 1 is being funded by both Senior Master PID Bonds and Subordinate Master PID Bonds. The amounts indicated are the costs being funded by each bond series; and when added together equal the total cost.

C. Improvement Area Authorized Improvement Overview

As Improvement Areas are developed, then in association with issuing Phased PID Bonds this Service and Assessment Plan will be amended to identify the Phased PID Bond Authorized Improvements that benefit each Improvement Area from the list of Authorized Improvements on Appendix B attached hereto (e.g. Table III-A-1) will be added to show Improvement Area #1 Authorized Improvements for Improvement Area #1, etc.).

**Section IV
ASSESSMENT PLAN**

A. Introduction

The PID Act requires the City Council to apportion the Actual Costs on the basis of special benefits conferred upon the property because of the Authorized Improvements. The PID Act provides that the Actual Costs may be assessed: (i) equally per front foot or square foot; (ii) according to the value of the property as determined by the governing body, with or without regard to improvements on the property; or (iii) in any other manner that results in imposing equal shares of the cost on property similarly benefited. The PID Act further provides that the governing body may establish by ordinance or order reasonable classifications and formulas for the apportionment of the cost between the municipality and the area to be assessed and the methods of assessing the special benefits for various classes or improvements.

Table IV-A provides the estimated allocation of Actual Costs between the PID and the area outside the PID for the Master PID Bond Authorized Improvements.

At this time it is impossible to determine with absolute certainty the amount of special benefit each Parcel within the PID will receive from the Authorized Improvements other than for Master PID Bond Authorized Improvements. As such, at this time Parcels will be only be assessed for the special benefits conferred upon the property because of the Master PID Bond Authorized Improvements.

As Improvement Areas are final platted, in connection with issuance of Phased PID Bonds, this Service and Assessment Plan will be updated to reflect the special benefit each Parcel within an Improvement Area receives from the Authorized Improvements funded with those Phased PID Bonds issued with respect to that Improvement Area. Prior to assessing Parcels located within Improvement Areas in connection with issuance of Phased PID bonds, the owners of the Parcels to be assessed must acknowledge that the Authorized Improvements confer a special benefit on their Parcel and must consent to the imposition of the Assessments to pay for the Actual Costs.

This section of this Service and Assessment Plan currently describes the special benefit received by each Parcel of the Property as a result of the Master PID Bond Authorized Improvements, provides the basis and justification for the determination that this special benefit exceeds the amount of the Assessments, and establishes the methodology by which the City Council allocates the special benefit of the Master PID Bond Authorized Improvements to Parcels in the manner that results in equal share of the Actual Cost being apportioned to Parcels similarly benefited. The determination by the City Council of the assessment methodology set forth below is the result of the discretionary exercise by the City Council of its legislative authority and governmental powers and is conclusive and binding on the Developer and all future owners and developers of the Assessed Property.

As Improvement Areas are developed, then in connection with issuance of Phased PID Bonds this Service and Assessment Plan will be updated based on the City's determination of the assessment methodology for each Improvement Area.

B. Special Benefit

The Assessed Property will receive a direct and special benefit from the Master PID Bond Authorized Improvements, and this benefit will be equal to or greater than the amount of the Assessments. The Master PID Bond Authorized Improvements are provided specifically for the benefit of the Assessed Property. The Master PID Bond Authorized Improvements (more particularly described in line-item format on Table III-A to this Service and Assessment Plan) and the costs of issuance and payment of costs incurred in the establishment, administration, and operation of the PID shown in Table V-A are authorized by the Act.

The owners of the Assessed Property have acknowledged that the Master PID Bond Authorized Improvements confer a special benefit on the Assessed Property and have consented to the imposition of the Assessments to pay for the Actual Costs associated therewith. The owners are acting in their interest in consenting to this imposition because the special benefit conferred upon the Assessed Property by the Master PID Bond Authorized Improvements exceeds the amount of the Assessments.

Pursuant to the Landowner's Agreement, the owners of the Assessed Property have ratified, confirmed, accepted, agreed to and approved; (i) the determinations and finding as to benefits by the City Council in the Service and Assessment Plan and the Assessment Ordinance; and (ii) the Service and Assessment Plan and the Assessment Ordinance. Use of the Assessed Property as described in this Service and Assessment Plan and as required by the Zoning Ordinance required that Authorized Improvements be acquired, constructed, installed, and/or improved. Funding the Actual Costs through the PID is determined to be the most beneficial means of doing so. As a result, the Assessments result in a special benefit to the Assessed Property, and this special benefit exceeds the amount of the Assessment. This conclusion is based on and supported by the evidence, information, and testimony provided to the City Council.

C. Allocation of Actual Costs of Master PID Bond Authorized Improvements

The Master PID Bond Authorized Improvements will provide a special benefit to property inside and outside the PID. Accordingly, the Actual Costs of the Master PID Bond Authorized Improvements must be allocated between the property inside the PID and outside of the PID. Table IV-A summarizes the Actual Costs for each Master PID Bond Authorized Improvements. The costs shown in Table IV-A are estimates and may be revised in Annual Service Plan Updates, but may not result in increased assessments without the owners of the Parcels consent to the imposition of the increased Assessments to pay for the Actual Costs.

D. Allocation of Actual Costs of Phased PID Bond Authorized Improvements

As Improvement Areas are developed, then in connection with issuance of Phased PID Bonds this Service and Assessment Plan will be amended to identify the special benefit to property inside and outside the PID resulting from the Phased PID Bond Authorized Improvements (e.g. Table IV-A-1 will be added to show the estimated allocation of Actual Costs between the PID and the area outside the PID for the Improvement Area #1 Authorized Improvements, etc.) Further, to the extent a Phased PID Bond Authorization Improvement benefits portions of the

Assessed Property both inside and outside of a given Improvement Area, then a new Table IV-B will be added showing the special benefit to the PID both inside and outside the Improvement Area in question and that Improvement Area will only be assessed based on the percentage of Actual Costs that benefit it, and the remainder will be assessed to Future Improvement Areas (e.g., a new Table IV-B-1 will be added for Improvement Area #1).

Notes:

(a) The Developer and County entered into that certain Decker Lake Road Participation Agreement (as amended) whereby the Developer is reimbursed 66.6% of the cost of Decker Lake Road Hard Costs and 50% of Construction management costs and engineering costs. Landscape Costs, City and County Fees, and Inspection Fees are not subject to reimbursement. Only non reimbursed costs are determined to be PID eligible, and as such 42% of Decker Lake Road Costs are PID Eligible Costs.

(b) Water Line 1 is being funded by both Senior Master PID Bonds and Subordinate Master PID Bonds. The amounts indicated are the costs being funded by each bond series, and when added together equal the total cost. The Developer and City entered into the Water Cost Reimbursement Agreement whereby the Developer is reimbursed the hard and certain soft costs of Water Line 1. However, 75% of Water Line 1's capacity will be used by property outside of the PID, and as such only 25% of the Water Line 1 Costs are PID Eligible. The Developer will pledge the reimbursements of those certain hard and soft costs due under the Water Cost Reimbursement Agreement to the payment of the Subordinate Master PID Bonds. The City will be repaid for the non-oversized portion of Water Line 1 costs if reimburses to the Developer pursuant to the Water Cost Reimbursement Agreement.

E. Assessment Methodology

The Actual Costs may be assessed by the City Council against the Assessed Property so long as the special benefit conferred upon the Assessed Property by the Authorized Improvements equal or exceeds the Assessments. The Actual Costs may be assessed using any methodology that results in the imposition of equal shares of the Actual Costs on Assessed Property similarly benefited.

Assessment Methodology for the Master PID

For purpose of this Service and Assessment Plan, the City Council has determined that the Actual Costs associated with the Senior Master PID Bonds and Subordinate Master PID Bonds shall be allocated to the Assessed Property on the basis of the modified area method and such method of allocation will result in the imposition of equal shares of the Actual Costs on Parcels similarly benefited. The modified area method is applied by spreading the entire assessment

across all Parcels within the PID based on their ratio of the total assessable area within the PID. Upon subsequent divisions of any Parcel, the assessment applicable to it is then apportioned based on the ratio of the areas of the newly created parcels. For residential parcels, when final residential building sites are platted, assessments are apportioned proportionately among each residential parcel based on its relative size. The result of this approach is that each final residential parcel with the same density has the same assessment, and residential parcels with similar densities will have similar assessments.

Assessment Methodology for Improvement Areas

As any given Improvement Area is developed, then in connection with issuance of any Phased PID Bonds for that Improvement Area, this Service and Assessment Plan will be amended to determine the assessment methodology that results in the imposition of equal shares of the Actual Costs on Assessed Property similarly benefited within that Improvement Area.

F. Assessments

The Assessments for the Senior Master PID Bonds and the Subordinate Master PID Bonds will be levied on each Parcel according to the Assessment Roll attached hereto as Appendix A. The Annual Installments for the Senior Master PID Bonds will be collected on the dates and in the amounts shown on the Assessment Roll, subject to any revisions made during an Annual Service Plan Update. The Annual Installments for the Subordinate Master PID Bonds will be collected on the dates and in the amounts shown on the Assessment Roll to the extent sufficient funds are not received by the Trustee pursuant to the pledge of the reimbursements under the CRAs by the Developer. The use of the Annual Installments to pay debt service under the Subordinate Master PID Bonds shall be subordinate to the use of the Annual Installments to pay debt service under the Senior Master PID Bonds.

G. Administrative Expenses

The cost of administering the PID and collecting the Annual Installments shall be paid for on a pro rata basis by each parcel based on the amount of Assessment levied against the Parcel. The administrative expenses shall be collected in the same manner as Annual Installments in the amounts shown on the Assessment Roll, which may be revised based on actual costs incurred in Annual Service Plan Updates.

H. Prepayment Reserve

Pursuant to the PID Act, the interest rate for Assessments may exceed the actual interest rate paid on the bonds by no more than one half of one percent (0.50%). The interest rate used to determine the Senior Master PID Bonds Assessments is one-fifth percent (0.50%) higher than the actual rate paid on the Senior Master PID Bonds, with 0.20% allocated to fund any interest charged between the date of prepayment of an Assessment and the date in which bonds are prepaid and 0.30% allocated to fund a delinquency reserve account as described below.

I. Delinquency Reserve

The City has allocated up to 0.30% of the interest rate component of the Annual Installments to offset any possible delinquent payments. The additional reserve shall be funded up to 0.1% of the next year's debt service for the Senior Master PID Bonds, but in no event will the annual collection be more than 0.30% higher than the actual interest rate paid on the debt.

Section V

SERVICE PLAN

The PID Act requires the service plan to cover a period of at least five years. The service plan is required to define the annual projected costs and indebtedness for the Authorized Improvements undertaken within the PID during the five year period. It is anticipated that it will take approximately two years for the Master PID Bond Authorized Improvements to be constructed. At some point after the Master PID Bond Authorized Improvements are constructed, Improvement Area #1 will begin development. After Improvement Area #1 is developed, it is anticipated that Improvement Area #2 will begin development, and so on, with each Improvement Area to be subsequently developed corresponding to the Service and Assessment Plan to be updated with that development

The estimated Actual Costs for Master PID Bond Authorized Improvements plus costs related to the issuance of the Bonds, and payment of expenses incurred in the establishment, administration and operation of the PID is \$16,290,772, as shown in Table V-A. The service plan shall be reviewed and updated annually for the purpose of determining the annual budget for improvements. The annual update to this Service and Assessment Plan is herein referred as the "Annual Service Plan Update."

Table V-A summarizes the sources and uses of funds required to construct the Master PID Bond Authorized Improvements, establish the PID, and issue the Bonds. Table V-A may be revised based on final bond pricing and final costs of issuance. The sources and uses of funds shown in Table V-A shall be updated each year in the Annual Service Plan Update to reflect any budget revisions and actual costs.

As Improvement Areas are developed in connection with issuance of Phased PID Bonds, this Service and Assessment Plan will be amended to add a new table to this Section V (e.g. Table V-A-1 will be added for Improvement Area #1, etc.).

TABLE V-A

(a) Assumes Subordinate Master PID Bonds are able to be fully paid with revenue from CRA.

(b) Pursuant to the Decker Lake Road Participation Agreement between Travis County and the Developer, the County will reimburse the Developer for 66% of the cost of Decker Lake Road Hard Costs and 50% of Construction management costs and engineering costs. The funding of the improvements is initially funded by the Developer.

(c) 25% of Water Line 1's capacity will be used by the Indian Hills development, and as such only 25% of the Water Line 1 Costs will be funded by the Indian Hills project.

(d) The Developer will fund any costs not covered by Senior Master PID Bonds, Subordinate Master PID Bonds or County reimbursements until such time as Phased PID Bond proceeds are available. The Developer and City will enter into an acquisition agreement for any facility acquired by the City, which is intended to be paid for, partially or in its entirety, from Phased PID Bonds. Developer Funds will be utilized if the amounts specified above are not sufficient to pay for the costs of such improvements.

(e) See Table III-A and Table IV-A for details. Excludes Bond Issuance Costs, which are identified separately.

(f) The Subordinate Master PID Bonds will include a debt service reserve fund equal to the lesser of maximum annual debt service or 10% of the bond amount.

(g) The Bonds will include capitalized interest.

(h) The Bonds will have a 2% underwriter's discount.

(i) Preliminary estimate.

The annual projected costs and annual projected indebtedness is shown by Table V-B. The annual projected costs and indebtedness is subject to revision and each shall be updated in the Annual Service Plan Update to reflect any changes in the costs or indebtedness expected for each year.

TABLE V-B
Annual Projected Costs and Annual Projected Indebtedness

| Year | Annual Projected Cost | Annual Projected PID Indebtedness | Sources Other Than Indian Hills PID |

| 2015 | \$ - | \$ - | \$ - |
| Total | \$ 16,290,772 | \$ 5,192,350 | \$ 11,098,422 |

Note: The Annual Projected Costs shown are the annual expenditures relating to the PID/Authorized Improvements shown in Table III-A. The Annual Projected Indebtedness shown is for the Senior Master PID Bonds and the Subordinate Master PID Bonds. The difference between the two totals is the amount contributed by sources other than the Indian Hills PID, including Decker Lake Road reimbursements, non Indian Hills PID's share of the Waterline I costs, and Developer contributions. As Improvement Areas are developed, then in association with issuing Phased PID Bonds this Table V-B will be amended to identify the Phased PID Bond Authorized Improvements and the projected indebtedness resulting from the Phased PID Bond.

Section VI

TERMS OF THE ASSESSMENTS

A. Amount of Assessments and Annual Installments for Parcels Located Within Master PID

The Assessment and Annual Installments for each Parcel located within the Master PID is shown on the Assessment Roll, attached as Appendix A, and no Assessment shall be changed except as authorized by this Service and Assessment Plan or the PID Act. The Annual Installments shall be collected in an amount sufficient to pay principal and interest on the Senior Master PID Bonds, or maturity value on the Subordinate Master PID Bonds, as applicable, and to cover Administrative Expenses of the PID.

B. Amount of Assessments and Annual Installments for Parcels Located Within Future Improvement Areas

As Improvement Area #1. and Future Improvement Areas are developed, this Service and Assessment Plan will be amended to determine the Assessment and Annual Installments for each Parcel located within Future Improvement Areas (e.g. Appendix A-1 will be added as the Assessment Roll for Improvement Area #1, etc.). The Annual Installments for each Parcel located within a Future Improvement Area will escalate at 2% per year. The Assessments shall not exceed the benefit received by the Assessed Property.

C. Reallocation of Assessments for Parcels Located Within the Master PID

1. Upon Subdivision Prior to Final Subdivision Map

Upon the subdivision of any Parcel (but prior to final lots being created), the Administrator shall reallocate the Assessment for the Parcel prior to the subdivision among the new subdivided Parcels according to the following formula:

$$A = B \times (C \div D)$$

Where the terms have the following meanings:

A = the Assessment for the new subdivided Parcel

B = the Assessment for the Parcel prior to subdivision

C = the acreage of the newly subdivided Parcel

D = the sum of the acreage for all of the new subdivided Parcels excluding Non-Benefitted Property

The calculation of the acreage of a Parcel shall be performed by the Administrator based on information available regarding the Parcel. The estimate as confirmed shall be conclusive.

The sum of the Assessments for all newly subdivided Parcels shall equal the Assessment for the Parcel prior to subdivision. The calculation shall be made separately for each newly subdivided Parcel. The reallocation of an Assessment for a Parcel that is a homestead under Texas law may not exceed the Assessment prior to the reallocation. Any reallocation pursuant to this section shall be reflected in an update to this Service and Assessment Plan approved by the City Council.

2. Upon Subdivision From Final Subdivision Map

Upon the subdivision of any Parcel based on a Final Subdivision Map, the Administrator shall reallocate the Assessment for the Parcel prior to the subdivision among the new subdivided Parcels according to the following formula:

$$A = [B \times (C \div D)]/E$$

Where the terms have the following meanings:

A = the Assessment for the new subdivided Parcel

B = the Assessment for the Parcel prior to subdivision

C = the sum of the acreage of all new subdivided Parcels with same Lot Type

D = the sum of the acreage for all of the new subdivided Parcels excluding Non-Benefitted Property

E = the number of Parcels with same Lot Type

The calculation of the acreage of a Parcel shall be performed by the Administrator and confirmed by the City Council based on information available regarding the Parcel. The estimate as confirmed shall be conclusive.

The sum of the Assessments for all newly subdivided Parcels shall equal the Assessment for the Parcel prior to subdivision. The calculation shall be made separately for each newly subdivided Parcel. The reallocation of an Assessment for a Parcel that is a homestead under Texas law may not exceed the Assessment prior to the reallocation. Any reallocation pursuant to this section shall be reflected in an update to this Service and Assessment Plan approved by the City Council.

3. Upon Consolidation

Upon the consolidation of two or more Parcels, the Assessment for the consolidated Parcel shall be the sum of the Assessments for the Parcels prior to consolidation. The reallocation of an Assessment for a Parcel that is a homestead under Texas law may not exceed the Assessment prior to the reallocation. Any reallocation pursuant to this section shall be calculated by the

Administrator and reflected in an update to this Service and Assessment Plan approved by the City Council.

D. Reallocation of Assessments for Parcels Located Within Future Improvement Areas

As Future Improvement Areas are developed, this Service and Assessment Plan will be amended to determine the assessment reallocation methodology that results in the imposition of equal shares of the Actual Costs on Assessed Property similarly benefited within each Future Improvement Area.

E. Mandatory Prepayment of Assessments

If a Parcel or portion thereof is transferred to a party that is exempt from the payment of the Assessment under applicable law, or if an owner causes a Parcel or portion thereof to become Non-Benefited Property, the owner of such Parcel or portion thereof shall pay to the Administrator the full amount of the Assessment, plus all Prepayment Costs, for such Parcel or portion thereof prior to any such transfer or act; provided, however that such mandatory prepayment of assessment shall not be required for portions of a Parcel that are dedicated for use as internal roads, parks and other similar, public improvements. At the time such public improvements are dedicated, the Assessment that was allocated to that certain Parcel in which the public improvement was located will be reallocated to similarly benefitted Parcels; provided, however, that reallocation of an Assessment for a Parcel that is a homestead under Texas Law may not exceed the Assessment prior to reallocation.

F. Reduction of Assessments

1. If after all Authorized Improvements have been completed and Actual Costs are less than the Actual Costs used to calculate the Assessments, resulting in excess Bond proceeds being available to redeem Bonds, then the Assessment for each Parcel shall be reduced prorata such that the sum of the resulting reduced Assessments for all Parcels equals the actual reduced Actual Costs and such excess Bond proceeds shall applied to redeem Bonds. The Assessments shall not be reduced to an amount less than the outstanding Bonds.
2. If the Authorized Improvements are not undertaken by the City or County, resulting in excess Bond proceeds being available to redeem Bonds, the Assessment for each Parcel shall be approximately reduced by the City Council to reflect only the Actual Costs that were expended and such excess Bond proceeds shall be applied to redeem Bonds. The City Council may reduce the Assessments for each Parcel prorata such that the sum of the resulting reduced Assessments equals the Actual Costs with respect to the Authorized Improvements that were undertaken. The Assessments shall not be reduced to an amount less than the outstanding Bonds.
3. If a Reimbursement Payment is received by the Initial Trustee for an Authorized Improvement, resulting in proceeds being available to redeem the Subordinate Master

PID Bonds, then the Assessment for each Parcel shall be reduced prorata such that the sum of the resulting reduced Assessments for all Parcels equals the Actual Costs less the Reimbursement Payment and any excess proceeds shall applied to redeem Subordinate Master PID Bonds. The Assessments shall not be reduced to an amount less than the outstanding Subordinate Master PID Bonds.

G. Payment of Assessments

1. Payment in Full

- (a) The Assessment for any Parcel may be paid in full at any time in accordance with applicable laws. Payment shall include all Prepayment Costs. If prepayment in full will result in a redemption of Bonds, the payment amount shall receive credit from any proceeds from the reserve fund applied to the redemption under the Indenture, net of any other costs applicable to the redemption of Bonds.
- (b) If an Annual Installment has been billed prior to payment in full of an Assessment, the Annual Installment shall be due and payable and shall be credited against the payment-in-full amount.
- (c) Upon payment in full of an Assessment and all Prepayment Costs, the City shall deposit the payment in accordance with the Indenture; whereupon, the Assessment shall be reduced to zero, and the owner's obligation to pay the Assessment and Annual Installments thereof shall automatically terminate.
- (d) At the option of the owner, the Assessment on any Parcel plus Prepayment Costs may be paid in part in an amount sufficient to allow for a convenient redemption of Bonds as determined by the Administrator. Upon the payment of such amount for a Parcel, the Assessment for the Parcel shall be reduced, the Assessment Roll shall be updated to reflect such partial payment, and the obligation to pay the Annual Installment for such Parcel shall be reduced to the extent the partial payment is made.

2. Payment in Annual Installments

The Act provides that an Assessment for a Parcel may be paid in full at any time. If not paid in full, the Act authorizes the City to collect interest and collection costs on the outstanding Assessment. An Assessment for a Parcel that is not paid in full will be collected in Annual Installments each year in the amounts shown in the Assessment Roll, which include interest on the outstanding Assessment and Administrative Expenses. The process and dates for payment of the Annual Installments shall be as determined by the Administrator.

Each Assessment for a Future Improvement Area shall bear interest at a rate of interest on the Bonds approved and issued by the City. The Annual Installments as listed on the Assessment Roll for Senior Master PID Bonds have been calculated using the actual interest rates for the Senior Master PID Bonds and the Subordinate Master PID Bonds. The Annual Installments may

not exceed the amount amounts shown on the Assessment Roll except as pursuant to any amendment or update to this Service and Assessment Plan.

The Annual Installments shall be reduced to equal the actual costs of repaying the Bonds and actual Administrative Expenses (as provided for in the definition of such term), taking into consideration any other available funds for these costs, such as amounts received from the City pursuant to the CRAs and interest income on account balances.

The City reserves and shall have the right and option to refund the Bonds in accordance with Section 372.027 of the PID Act. In the event of such refunding, the Administrator shall recalculate the Annual Installments, and if necessary, may adjust, decrease, or extend the term of the Annual Installment so that total Annual Installments of Assessments will be produced in annual amounts that are required to pay the refunding bonds when due and payable as required by and established in the ordinance and/or the indenture authorizing and securing the refunding bonds.

H. Collection of Annual Installments

No less frequently than annually, the Administrator shall prepare, and the City Council shall approve, an Annual Service Plan Updates to allow for the billing and collection of Annual Installments. Each Annual Service Plan Update shall include an updated Assessment Roll and a calculation of the Annual Installment for each Parcel. Administrative Expenses shall be allocated among Parcels in proportion to the amount of the Annual Installments for the Parcels. Each Annual Installment shall be reduced by any credits applied under the applicable Indenture, such as capitalized interest, interest earnings on any account balances, and any other funds available to the Trustee for such purpose, including any amounts received from the City pursuant to the CRAs and existing deposits for a prepayment reserve. For Senior master PID Bonds, Annual Installments shall be collected by the City (or such entity to whom the City directs) in the same manner and at the same time as ad valorem taxes. For Subordinate Master PID Bonds, Annual Installments shall be collected by the City (or such entity to whom the City directs) by hand billing on dates to be determined by the Administrator in accordance with the Indenture. Annual Installments shall be subject to the same penalties, procedures, and foreclosure sale in case of delinquencies as are provided for ad valorem taxes of the City. The City Council may provide for other means of collecting the Annual Installments to the extent permitted under the PID Act. The assessments shall have lien priority as specified in the PID Act.

Any sale of property for nonpayment of the delinquent Annual Installments shall be subject to the lien established for the remaining unpaid Annual Installments against such property and such property may again be sold at a judicial foreclosure sale if the purchaser thereof fails to make timely payment of the non-delinquent Annual Installments against such property as they become due and payable.

I. Surplus Funds Remaining in Senior Master PID Bond Account

If Senior Master PID Bond proceeds still remain after all of the Master PID Bond

Authorized Improvements are constructed and accepted by the City, the proceeds may be utilized to finance other Authorized Improvements.

Section VII

THE ASSESMENT ROLL

A. Master PID Assessment Roll

Each Parcel within the Master PID has been evaluated by the City Council (based on the PUD, developable area, proposed Owner Association Property and Public Property, the Authorized Improvements, best and highest use of land, and other development factors deemed relevant by the City Council) to determine the amount of Assessed property within the Parcel.

At this time it is impossible to determine with absolute certainty the amount of special benefit each Parcel within the PID will receive from the Authorized Improvements other than for Master PID Authorized Improvements. As such, at this time only Master PID Assessed Property will be assessed for the special benefits conferred upon the property because of the Master PID Authorized Improvements. Table IV-A summarizes the \$6,040,032 in special benefit received by Master PID Assessed Property from the Master PID Authorized Improvements. The cumulative total for the Authorized Improvements to be funded by the Senior Master PID Bonds and Subordinate Master PID Bonds, is \$5,192,350, which is less than the benefit received by Master PID Assessed Property, and as such the total assessment for all Parcels within the Master PID is \$5,192,350. The Assessment for each Parcel within the Master PID is calculated based on the allocation methodologies described in Section IV.E. of this Service and Assessment Plan. The Assessment Roll for the Master PID is attached hereto as Appendix A.

B. Future Improvement Area Assessment Roll

As Improvement Area #1 and Future Improvement Areas are developed, this Service and Assessment Plan will be amended to determine the Assessment for each Parcel located within Improvement Area # 1 and Future Improvement Areas (e.g. Appendix A-1 will be added as the Assessment Roll for Improvement Area #1, etc.).

C. Annual Assessment Roll Updates

The Administrator shall prepare, and the City Council shall review and approve, annual updates to the Assessment Roll in conjunction with the Annual Service Plan Update to reflect the following matters, together with any other changes helpful to the Administrator or the City and permitted by the Act: (i) the identification of each Parcel (ii) the Assessment for each Parcel, including any adjustments authorized by this Service and Assessment Plan or in the PID Act; (iii) the Annual Installment for the Parcel for the year (if the Assessment is payable in installments); and (iv) payments of the Assessment, if any, as provided by Section VI.C of this Service and Assessment Plan.

Once Bonds are issued, the Assessment Roll shall be updated, which update may be done in the next Annual Service Plan Update, to reflect any changes resulting from the issuance of the Bonds. This update shall reflect the actual interest on the Bonds at which the Annual Installments

shall be paid, any reduction in the Assessments, and any revisions in the Actual Costs to be funded by the Bonds and Developer funds.

Section VIII

MISCELLANEOUS PROVISIONS

A Administrative Review

The City shall serve as the Administrator until the Property is final platted at which time this practice will be re-examined and the City may elect to designate a third party to serve as Administrator. The City shall notify Developer in writing at least thirty (30) days in advance before appointing a third party Administrator.

To the extent consistent with the Act, an owner of an Assessed Parcel claiming that a calculation error has been made in the Assessment Roll, including the calculation of the Annual Installment, shall send a written notice describing the error to the City no later than thirty (30) days after the date any amount which is alleged to be incorrect is due prior to seeking any other remedy. The Administrator shall promptly review the notice, and if necessary, meet with the Assessed Parcel owner, consider written and oral evidence regarding the alleged error and decide whether, in fact, such a calculation error occurred.

If the Administrator determines that a calculation error has been made and the Assessment Roll should be modified or changed in favor of the Assessed Parcel owner, such change or modification shall be presented to the City Council for approval, to the extent permitted by the PID Act. A cash refund may not be made for any amount previously paid by the Assessed Parcel owner (except for the final year during which the Annual Installment shall be collected), but an adjustment may be made in the amount of the Annual Installment to be paid in the following year. The decision of the Administrator regarding a calculation error relating to the Assessment Roll may be appealed to the City Council for determination. Any amendments made to the Assessment Roll pursuant to calculation errors shall be made pursuant to the PID Act.

B Termination of Assessments

Each Assessment shall terminate on the date the Assessment is paid in full, including unpaid Annual Installments and Delinquent Collection Costs, if any. After the termination of an Assessment, and the collection of any delinquent Annual Installments and Delinquent Collection Costs, the City shall provide the owner of the affected Parcel a recordable "Notice of the PID Assessment Termination."

C Cost Savings/Cost Overruns

Savings from one line item may be applied to a cost increase in another line item. These transfers, however, are limited to the portion of the savings related to the PID's share of the costs, and these savings may be applied only to the PID's share of the increase in the costs of another line item. With respect to CRA Improvements, cost savings and cost overruns shall be handled in accordance with the terms and conditions set forth in the applicable CRA.

D Cost Overruns

In the event there are cost overruns and the proceeds of the Subordinate Master PID Bonds and the funds in the Master PID Bond Holdback are not sufficient to fund the CRA Improvements specified in the Service and Assessment Plan, the Developer may request an additional amount of debt issuance of up to \$750,000 of bonds commencing in year 2012 with the first assessments to occur in 2014 to provide additional contingency funding.

E Amendments

Amendments to the Service and Assessment Plan can be made as permitted by the PID Act and under Texas law.

F Administration and Interpretation of Provisions

The City Council shall administer (or cause the administration of) the PID, this Service and Assessment Plan, and all Annual Service Plan Updates consistent with the PID Act, and shall make all interpretations and determinations related to the application of this Service and Assessment Plan unless stated otherwise herein or in the Indenture, such determination shall be conclusive.

G Severability

If any provision, section, subsection, sentence, clause or phrase of this Service and Assessment Plan, or the application of same to an Assessed Parcel or any person or set of circumstances is for any reason held to be unconstitutional, void or invalid, the validity of the remaining portions of this Service and Assessment Plan or the application to other persons or sets of circumstances shall not be affected thereby, it being the intent of the City Council in adopting this Service and Assessment Plan that no part thereof, or provision or regulation contained herein shall become inoperative or fail by reason of any unconstitutionality, voidness or invalidity of any other part hereof, and all provisions of this Service and Assessment Plan are declared to be severable for that purpose.

If any provision of this Service and Assessment Plan is determined by a court to be unenforceable, the unenforceable provision shall be deleted from this Service and Assessment Plan and the unenforceable provision shall, to the extent possible, be rewritten to be enforceable and to give effect to the intent of the City.

If a conflict exists between the terms of this Service and Assessment Plan and a CRA, the terms and conditions of the applicable CRA shall control.

WHEREAS, prior to the issuance of bonds secured by the Assessments, the owners (the "Landowners" or the "Assessed Parties") of 100% of the privately-owned and taxable property located within the District, and who are the persons to be assessed pursuant to this Ordinance, will have executed and presented to the City Council for approval and acceptance a Landowner Agreement (the "Landowner Agreement") in the form and substance acceptable to the City, in which the Assessed Parties approve and accept the Service and Assessment Plan, approve the Assessment Roll, approve this Ordinance and approve the levy of the Assessments against their property located within the District, and agree to pay the Assessments when due and payable subject to the credits provided for herein and in the Service and Assessment Plan; and

WHEREAS, the City Council closed the hearing, and, after considering all written and documentary evidence presented at the hearing, including all written comments and statements filed with the City, determined to proceed with the adoption of this Ordinance in conformity with the requirements of the PID Act.

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF AUSTIN, TEXAS, THAT:

Section 1. Terms.

Terms not otherwise defined herein are defined in the Service and Assessment Plan substantially in the form attached hereto as Exhibit A (the "Service and Assessment Plan").

Section 2. Findings.

The findings and determinations set forth in the preambles are hereby incorporated by reference for all purposes. The City Council hereby finds, determines, and ordains, as follows:

(a) The apportionment of the Master PID Bond Authorized Improvements and the Annual Installment pursuant to the Service and Assessment Plan is fair and reasonable, reflects an accurate presentation of the special benefit each property will receive from the construction of the public improvements identified in the Service and Assessment Plan, and is hereby approved;

(b) The Service and Assessment Plan covers a period of at least five years and defines the annual indebtedness and projected costs for the Authorized Improvements;

(c) The Service and Assessment Plan apportions the cost of a public improvement to be assessed against property in the District and such apportionment is made on the basis of special benefits accruing to the property because of the improvement.

(d) All of the real property in the District which is being assessed in the amounts shown in the Assessment Roll will be benefited by the services and improvements proposed to be provided through the District in the Service and Assessment Plan, and each parcel of real property will receive special benefits in each year equal to or greater than each annual Assessment and will receive special benefits during the term of the Assessments equal to or greater than the total amount assessed;

(e) The method of apportionment of the Master PID Bond Authorized Improvements and Annual Installment associated with the Master PID Bonds set forth in the Service and Assessment Plan results in imposing equal shares of the Master PID Bond Authorized Improvements and Annual Installment associated with the Master PID Bonds on property similarly benefited, and results in a reasonable classification and formula for the apportionment of the costs of the improvements;

(f) The Service and Assessment Plan should be approved as the service plan and assessment plan for the District as described in Sections 372.013 and 372.014 of the PID Act;

(g) The Assessment Roll in the form attached as Appendix A to the Service and Assessment Plan (the "Assessment Roll") should be approved as the assessment roll for the District;

(h) The provisions of the Service and Assessment Plan relating to due and delinquency dates for the Assessments, interest on Annual Installments, interest and penalties on delinquent Assessments and delinquent Annual Installments, and procedures in connection with the imposition and collection of Assessments should be approved and will expedite collection of the Assessments in a timely manner in order to provide the services and improvements needed and required for the area within the District; and

(i) A written notice of the date, hour, place and subject of this meeting of the City Council was posted at a place convenient to the public for the time required by law preceding this meeting, as required by the Open Meetings Act, Chapter 551, Texas Government Code, as amended, and that this meeting has been open to the public as required by law at all times during which this Ordinance and the subject matter hereof has been discussed, considered, and formally acted upon.

Section 3. Assessment Plan.

The Service and Assessment Plan substantially in the form attached to this Ordinance is hereby accepted and approved pursuant to the PID Act Sections 372.013 and 372.014 as the service plan and the assessment plan for the District.

Section 4. Assessment Roll.

The Assessment Roll is hereby accepted and approved pursuant to the PID Act Section 372.016 as the assessment roll of the District.

Section 5. Levy and Payment of Special Assessments for Costs of Improvement Project.

(a) The City Council hereby levies an assessment on each tract of property located within the District, as shown and described on the Service and Assessment Plan and the Assessment Roll, in the respective amounts shown on the Assessment Roll as a special assessment on the properties set forth in the Assessment Roll.

(b) The levy of the Assessments shall be effective on the date of execution of this Ordinance levying assessments and strictly in accordance with the terms of the Service and Assessment Plan.

(c) The collection of the Assessments shall be as described in the Service and Assessment Plan.

(d) Each Assessment may be paid in a lump sum or may be paid in Annual Installments pursuant to the terms of the Service and Assessment Plan.

(e) Each Assessment shall bear interest at the rate or rates specified in the Service and Assessment Plan.

(f) Each Annual Installment shall be collected each year in the manner set forth in the Service and Assessment Plan.

(g) The Annual Installments for Assessed Properties shall be calculated pursuant to the terms of the Service and Assessment Plan.

Section 6. Method of Assessment.

The method of apportioning the Actual Costs is as set forth in the Service and Assessment Plan.

Section 7. Penalties and Interest on Delinquent Assessments.

Delinquent Assessments shall be subject to the penalties, interest, procedures, and foreclosure sales set forth in the Service and Assessment Plan. The Assessments shall have lien priority as specified in the PID Act and the Service and Assessment Plan.

Section 8. Prepayments of Assessments.

As provided in subsection 372.018(f) of the PID Act and in Section VI G. of the Service and Assessment Plan, the owner (the "Owner") of any Assessed Property may prepay the Assessments levied by this Ordinance.

Section 9. Lien Priority.

As provided in the Landowner Agreement, the City Council and the Landowners intend for the obligations, covenants and burdens on the Landowners of Assessed Property, including without limitation such Landowners' obligations related to payment of the Assessments and the Annual Installments, to constitute a covenant running with the land. The Assessments and the Annual Installments levied hereby shall be binding upon the Assessed Parties, as the Landowners of Assessed Properties, and their respective transferees, legal representatives, heirs, devisees, successors and assigns in the same manner and for the same period as such parties would be personally liable for the payment of ad valorem taxes under applicable law. Assessments shall have lien priority as specified in the Service and Assessment Plan and the PID Act.

Section 10. Appointment of Administrator and Collector of Assessments.

(a) Appointment of Administrator.

The City Treasurer of the City or his designee is hereby appointed and designated as the initial Administrator of the Service and Assessment Plan and of the assessments levied by this Ordinance. The Administrator shall perform the duties of the Administrator described in the Service and Assessment Plan and in this Ordinance. The Administrator's fees, charges and expenses for providing such service shall constitute an Annual Installment.

(b) Appointment of Temporary Collector.

The City Treasurer of the City or his designee is hereby appointed as the temporary collector of the Assessments (the "Collector"). The Collector shall serve in such capacity until such time as the City shall arrange for the Collector's duties to be performed by any other qualified collection agent selected by the City.

Section 11. Applicability of Tax Code.

To the extent not inconsistent with this Ordinance, and not inconsistent with the PID Act or the other laws governing public improvement districts, the provisions of the Texas Tax Code shall be applicable to the imposition and collection of Assessments by the City.

Section 12. Severability.

If any provision, section, subsection, sentence, clause, or phrase of this Ordinance, or the application of same to any person or set of circumstances is for any reason held to be unconstitutional, void, or invalid, the validity of the remaining portions of this Ordinance or the application to other persons or sets of circumstances shall not be affected thereby, it being the intent of the City Council that no portion hereof, or provision or regulation contained herein shall become inoperative or fail by reason of any unconstitutionality, voidness, or invalidity of any other portion hereof, and all provisions of this Ordinance are declared to be severable for that purpose.

Section 13. Effective Date/Emergency.

The Council finds that the adoption of this Ordinance to provide for special assessment pledged to the payment of the special assessment revenue bonds authorized at the meeting at which this Ordinance is considered constitutes an emergency. Because of this emergency, this Ordinance takes effect immediately on its passage for the immediate preservation of the public peace, health and safety.

SERVICE AND ASSESSMENT PLAN

EXHIBIT C to LANDOWNER AGREEMENT

DECLARATION OF COVENANTS, CONDITIONS, AND RESTRICTIONS

This **DECLARATION OF COVENANTS, CONDITIONS, AND RESTRICTIONS** (as amended, this "Declaration") is made as of _____, 2011, by CLUB DEAL 116 INDIAN HILLS TX, LIMITED PARTNERSHIP (the "Landowner").

RECITALS:

- A. The Landowner holds record title to the real property located in Travis County, Texas, and described on the attached Exhibit A (the "Assessed Parcels").
- B. The City Council of the City of Austin, Texas (the "City Council"), upon the receipt of a petition by the Landowner requesting the establishment of a public improvement district to be known as Indian Hills Public Improvement District (the "District"), created the District in accordance with Chapter 372, Texas Local Government Code, as amended (the "PID Act").
- C. The City Council, pursuant to the PID Act, adopted an "Assessment Ordinance" that included a "Service and Assessment Plan" and "Assessment Roll" and levied "Assessments" against private, taxable property within the District, including the Assessed Parcels.
- D. The statutory notice required by Section 5.014 of the Texas Property Code to be given by sellers of residential property to purchasers of residential property within the District is incorporated as part of this Declaration.

DECLARATIONS:

NOW THEREFORE, Landowner, on its own behalf and on behalf of its successors and assigns hereby declares that the Assessed Parcels are, and shall be subject to and perpetually burdened by, the following covenants, conditions, and restrictions:

1. Acceptance and Approval of Assessments and Assessment Liens.
 - (a) Landowner accepts the Assessments levied against the Assessed Parcels.
 - (b) The Assessment against each Assessed Parcel (including any reassessment, the expense of collection, and reasonable attorney's fees, if incurred) is: (1) a first and prior lien (an "Assessment Lien") against the Assessed Parcel superior to all other liens or claims except liens or claims for State, county, school district, or municipal ad valorem property taxes whether now or hereafter payable; and (2) a personal liability of and charge against the owners of the Assessed Property regardless of whether the owners are named. The Assessment Lien against each Assessed Parcel is effective from the date of the Assessment Ordinance until the Assessment against the Assessed Parcel is paid and may be enforced by the City

of Austin, Texas (the "City") in the same manner as an ad valorem property tax levied against real property may be enforced by the City. The owner of each Assessed Parcel may pay, at any time, the entire Assessment levied against the Assessed Parcel. Additional Assessments may be placed on an Assessed Parcel after the initial Assessments are paid off. Foreclosure of an ad valorem property tax lien against an Assessed Parcel shall not extinguish the Assessment or any unpaid but not yet due annual installment of the Assessment and shall not accelerate the due date for any unpaid and not yet due annual installment of the Assessment.

- (c) The obligations of each Landowner to pay the Assessments (including each annual installment thereof, as adjusted, decreased, or extended) levied against the Assessed Parcels (as set forth in the Assessment Ordinance, Service and Assessment Plan, and Assessment Roll, each as amended) are covenants that run with the Assessed Property and specifically bind Landowner and its successors and assigns.
- (d) In the event of a delinquency in the payment of any annual installment of an Assessment for an Assessed Parcel, the City is empowered to institute an action in district court to foreclose the related Assessment Lien, to enforce personal liability against the owner of the Assessment Parcel for the Assessment, or both. In such action the Assessed Parcel subject to the delinquent Assessment may be sold at judicial foreclosure sale for the amount of such delinquent property taxes and Assessment, plus penalties, interest, and costs of collection.

2. Waivers. Landowner unconditionally waives:

- (a) any and all defects, irregularities, illegalities or deficiencies in the proceedings establishing the District, defining the Assessed Parcels, adopting the Assessment Ordinance, Service and Assessment Plan, and Assessment Roll, levying of the Assessments, and determining the amount of the annual installments of the Assessments;
- (b) any and all notices and time periods provided by the PID Act including, but not limited to, notice of the establishment of the District and notice of public hearings regarding the approval of the Assessment Ordinance, Service and Assessment Plan, and Assessment Role and regarding the levying of the Assessments determining the amount of the annual installments of the Assessments;
- (c) any and all actions and defenses against the adoption or amendment of the Assessment Ordinance, Service and Assessment Plan, and Assessment Roll;
- (d) any and all actions and defenses against the City's finding of "special benefit" pursuant to the PID Act and as set forth in the Service and Assessment Plan and the levying of the Assessments and determining the amount of the annual installments of the Assessments; and

- (c) any right to object to the legality of the Assessment Ordinance, Service and Assessment Plan, Assessment Roll, or Assessments or to any proceedings connected therewith.
3. **Amendments.** This Declaration may be terminated or amended only by a document duly executed and acknowledged by the City and by the then-current owners of all Assessed Parcels burdened by this Declaration. No termination or amendment shall be effective until a written instrument setting forth the terms thereof has been executed by the then-current owners and recorded in the Real Property Records of Travis County, Texas.
4. **Third Party Beneficiary:** The City is a third party beneficiary to this Declaration and may enforce its terms.
5. **Texas Property Code Section 5.014 Notice.**

**NOTICE OF OBLIGATION TO PAY PUBLIC IMPROVEMENT
DISTRICT ASSESSMENT TO THE CITY OF AUSTIN, TRAVIS
COUNTY, TEXAS, CONCERNING ASSESSED PARCELS.**

As the purchaser of a parcel of residential real property located in a public improvement district, you are obligated to pay an Assessment to the City of Austin, Texas, for improvement projects undertaken by the district under Chapter 372, Local Government Code. Information about the Assessment (such as its due date or how it is paid) may be obtained by contacting the City. The Assessment against your parcel will be determined as follows:

Actual Costs (as defined in the Service and Assessment Plan) associated with the PID Bonds shall be allocated to the Assessed Parcels on the basis of the modified area method and such method of allocation will result in the imposition of equal shares of the Actual Costs on Assessed Parcels similarly benefited. The modified area method is applied by spreading the entire assessment across all Assessed Parcels within the District based on their ratio of the total assessable area within the District. Upon subsequent divisions of any Assessed Parcel, the assessment applicable to it is then apportioned based on the ratio of the areas of the newly created parcels. For residential parcels, when final residential building sites are platted, assessments are apportioned proportionately among each residential parcel based on its relative size. The result of this approach is that each final residential parcel with the same density has the same assessment, and residential parcels with similar densities will have similar assessments.

The Assessment against your parcel may be paid in full at any time together with interest through the date of payment. If you do not elect to pay the Assessment in full, it will be due and payable in annual installments, including interest and collection costs. Your failure to pay the Assessment or any annual installment could result in a lien on and the foreclosure of your parcel.

EXECUTED by the undersigned on the dates set forth below to be effective as of the date first above written.

| Prior to February 1 | | Assessments are due |
| February 1 | 1 | Issuer to have received Assessment payments |
| | | Assessments Delinquent if not received |
| February 5 | 5 | Issuer to forward payments to Trustee as soon as possible after received |
| February 15 | 15 | Issuer and/or Administrator should be aware of actual and specific delinquencies |
| February 20 | 20 | Issuer should be aware if Reserve Fund needs to be utilized for debt service payment on March 1. If there is to be a shortfall, the Trustee should be immediately notified and EMMA should be notified. |

Issuer should also be aware if, based on collections; there will be a shortfall for September payment.

Issuer and/or Administrator should determine if previously collected surplus funds plus actual collections will be fully adequate for debt service in March and September.

At this point, if total delinquencies are under 5% and if there is adequate funding for March and September payment, no further action is anticipated for collection of Assessments except that Administrator, working with the City Attorney or an appropriate designee, will send supplemental billings/demand letters at least monthly to all delinquent property owners. **For properties delinquent by more than one year or if the delinquency exceeds \$10,000 the matter will be referred for commencement of foreclosure.**

If there are over 5% delinquencies or if there is inadequate funding in the Pledged Revenue Fund for transfer to the Principal and Interest Account of such amounts as shall be required for the full March and September payment, the collection-foreclosure procedure will proceed against all delinquent properties.

March 1

30

Bond interest payment due from January collections.

Reserve Fund payment to Bond Fund may well be required if Assessments are below approximately 50% collection rate

EMMA to be notified if Reserve Fund utilized

for debt service.

Use of Reserve Fund for debt service payment should trigger commencement of foreclosure on delinquent properties.

|----------|----|--|
| March 5 | 35 | Issuer to notify Trustee for disclosure to EMMA of all delinquencies. |
| March 5 | 35 | If any property owner with ownership of property responsible for more than \$10,000 of the Assessments is delinquent or if a total of delinquencies is over 5%, or if it is expected that Reserve Fund moneys will need to be utilized for either the March or September bond payments, the City Treasurer shall work with City Attorney's office, or the appropriate designee, to commence the collection process for all delinquent Assessments. |
| April 15 | 75 | Issuer shall notify Trustee (Trustee shall notify EMMA) of the plan of collections and foreclosure. |
| May 1 | 90 | Preliminary Foreclosure activity commences with final demand letters and commencement of actual foreclosure analysis including ordering of title reports, etc. |

| | | |
|---------|-----|---|
| May 10 | 100 | If Issuer has not provided Trustee with Foreclosure Schedule and Plan of Collections, bondholders (via EMMA) to be notified that foreclosure has not commenced and Trustee to again request that Issuer commence foreclosure or provide plan for collection. |
| June 1 | 120 | The designated lawyers or law firm will be preparing the formal foreclosure documents and will provide periodic updates to the Trustee for dissemination to those bondholders who have requested to be notified of collections progress. The goal for the foreclosure actions is a filing by no later than June 30 (day 149). |
| June 30 | 149 | Foreclosure action to be filed with the Courts. |
| July 1 | 150 | Trustee notified of Foreclosure filing status and notifies EMMA and bondholders. |
| July 15 | 160 | If bondholders and Trustee have not been notified of a foreclosure action, Trustee will notify bondholders (via EMMA) and Issuer that it is appropriate to file action. |

A committee of not less than 25% of the bondholders may request a meeting with the City Treasurer to discuss the Issuer's actions in pursuing the repayment of any delinquencies. This would also occur after day 30 if it is apparent that a Reserve Fund draw is required. Further, if delinquencies exceed 5%, bondholders may also request a meeting with the Issuer at any time to discuss the Issuer's plan and progress on collection and foreclosure activity. If the Issuer is not diligently proceeding with the foreclosure process, the bondholders may seek an action for mandamus or specific performance to direct the Issuer to pursue the collections of delinquent Assessments.
